

MOBILE EXPEDITIONS
ROCA RIVER CAMP
- MAASAIMARA -

How to Play:

Give yourself points for each species. Points are given only once and not each time you see the animal.

Half points are allocated if you correctly identify tracks (with a photo or with your guide). As an example, there are 3 points available for Impala, two for the animal spot and one for the track.

Hand in Your Scorecard at the end of your stay - the highest score will win a Roca cap!
