ROCA RIVER CAMP

MASAI MARA

MAASAI WEDDING BLESSING

We have the incredible opportunity to offer a unique, cultural blessing for guests at Roca River Camp. Whether you are looking to have a blessing as just you, the special couple, or would like your friends and family to witness the special occasion we would love to be on hand to help you celebrate your special day.

We have two wedding blessings available to guests:

Bush Blessing

A Gorgeous Intimate Maasai Wedding Blessing in Roca's Wilderness;

In separate areas of the camp, the groom will be adorned by the warriors and the bride by the Maasai women in traditional "Shuka" and beaded jewellery that characterize a wedding celebration. From here, the warriors and women will escort you on a short walk through the forest on the edge of camp to a beautiful blessing site overlooking a hippo pool. There, the Tribe Elders will bless you, followed by a joyous celebration of singing and dancing to mark the occasion. Afterwards, head out for a private bush lunch in a serene, romantic setting. Pop a bottle of bubbles and celebrate your special day.

Boma Blessing

Experience a Traditional Maasai Boma – A Once-in-a-Lifetime Celebration;

We will take you to the Maasai community, where you will be adorned in their traditional dress and beading to celebrate your wedding. The celebration will take place in the "boma," a traditional Maasai village, with singing and dancing in an authentic Maasai wedding setting.

Afterwards, enjoy a private bush lunch on the plains and toast to your incredible day with a bottle of bubbles.

We would love to tailor the experience to your needs, so please let us know what we can do to make your day special.
