ACCOMMODATION

- 6 tents, with 12 beds
- large, spacious tents with large gauze windows
- each tent with en suite flush toilets, a bush shower with hot water on demand and hand basin
- the lighting and standing fan are run on solar power at night
- twin or king-size beds
- Families with children need to split up and have an adult with one child in each tent. We do not offer triple rooms.

CATERING

Our wholesome cuisine includes a good selection of meats, vegetables and fruits. We can cater for vegetarians or anyone with food allergies.

ACTIVITIES

Our activities are centered on game drives and walks or a combination of the two. Our emphasis is on guest experience and not ticking of all the animals. Walks are especially exciting and our professional guides pride themselves on their knowledge of the big and small things that make up the environment.

Due to their being a number of water holes in the area, they attract an abundant variety of animals and birdlife. Therefore these can be great places to view the animal that come down to drink.
