

SOUTH LUANGWA, *Zambia*

ZAMBIA

Based only 30 minutes
from the park gate
entry.

"This is my office, and there is always something new around every corner no matter how many years I have been exploring this park."

- Jacob Shawa, Shawa Luangwa Camp

Our partnership with legendary guide Jacob Shawa not only inspired the name of Shawa Luangwa Camp—it laid the foundation for bringing Silent Safaris to South Luangwa.

Like us, Jacob's connection to the Zambian wilderness runs deep, shaped by years spent immersed in its landscapes and rhythms.

The site of the camp itself, overlooking the Luangwa River, was carefully chosen by Jacob and remains one of the most untouched corners of the park.

Recognised as one of Wanderlust's Top 8 Best Professional Guides—and simply one of the finest people you could meet—Jacob is at the very heart of Shawa Luangwa's story.

AT A GLANCE

LOCATION	Situated in the Lupanda Game Management Area (GMA), along the banks of the Luangwa River, our location offers convenient access to both the park and the Nsefu sector for exploration.
GPS	13° 03'58.0" S 31° 50'38.5" E
AIR ACCESS	Nearest International Airport: Mfuwe (MFU) The most convenient way to reach Shawa Luangwa Camp is by taking a one-hour flight from Lusaka to Mfuwe International Airport, followed by a one-hour transfer drive to the camp. The last leg of the drive, which lasts 30 minutes, offers stunning views of the Lupanda GMA.
ROAD ACCESS	Lusaka to Luangwa: 9.5 hours (Mfuwe – South Luangwa National Park)
VISA	Most passports require a visa. These can be obtained in advance or arrival at Kenneth Kaunda International Airport.
CURRENCY	Currently Cashless.
SEASONS	Summer: August to November with October and November being very hot with chances of rain. Winter: May to August with cool evenings and very cold mornings.
RAINS	November to March. Rains are sometimes experienced in April.
MALARIA	We provide mosquito nets and insect repellent for your comfort and peace of mind, and we recommend bringing your preferred repellent along. As malaria is present throughout Zambia, we strongly advise consulting your doctor ahead of travel to discuss suitable prophylactic medication.
YELLOW FEVER	No longer needed to transit through SA.

WHAT SETS US APART?

We are committed to ensuring that each guest enjoys at least one silent safari during their stay—an experience made all the more special by our pioneering electric Land Cruisers, allowing you to move quietly through the wild.

Positioned directly across from the park, with our own pontoon crossing, we access more remote areas from the outset—venturing deeper into the bush and away from the crowds. With the iconic grove just opposite camp, every drive begins immersed in one of the park's most celebrated and wildlife-rich landscapes.

LODGE FACILITIES

PREMIUM Our 2 premium units offer guests more space and comfort. Each elevated room features a generous open-plan layout, with expansive windows and a private deck providing panoramic views of the Luangwa River and surrounding park. Designed for privacy and relaxation, the Premium Tents offer a spacious retreat while keeping guests beautifully connected to the landscape.

LUXURY TENTS All four luxury tents are elevated and have expansive views of the Luangwa River and the park. Each tent features an en suite bathroom with a bathtub, a separate toilet cubicle, and double vanity with brass and copper fittings. There is an outdoor private shower for an immersive experience in nature.

There are three luxury double tents that can easily convert to twin beds for flexible arrangements. Two connected tents, one with a king bed and the other with twin beds, form a family tent, separated by a 5-meter elevated walkway. Each tent has a private deck for guests to relax and soak in the surroundings.

Guests can enjoy filter coffee, a variety of tea, and cookies provided in the premium rooms and luxury tents. Hot water is delivered in the early morning via flask and can be requested at any time throughout the day.

Green Safaris

SHAWA
Luangwa Camp

Green Safaris was born from a profound bond with Africa's pristine wilderness and the diverse wildlife and communities inhabiting it. This passion fuels our dedication to conservation, empowerment, and sustainability. We view our properties in Zambia and Malawi as a platform to achieve our green goals, enabling us to provide an authentic experience for you and the individuals you encounter on your journey. Each of our properties is committed to supporting at least one conservation or environmental initiative and one community project.

DOING GOOD

GREEN SAFARIS CONSERVATION FOUNDATION

Conservation is at the core of our mission, and we've established a dedicated organisation to actively support various conservation initiatives in our areas: the Green Safaris Conservation Foundation. We take pride in educating our guests and involving them in these conservation activities during their stay at our lodges whenever possible. Our 2020 initiatives include partnerships with Game Rangers International, Panthera, Hack the Poacher, Zambian Carnivore Project, and South Luangwa Conservation Society. For more information or to make contributions, please contact us at conservation@greensafaris.com

PROJECT LUANGWA

Green Safaris supports Project Luangwa by investing in community-led initiatives such as education, healthcare, and sustainable livelihoods, helping strengthen the link between local communities and conservation.

CONSERVATION SOUTH LUANGWA

Green Safaris supports the Conservation South Luangwa K9 Unit, whose trained dogs play a vital role in anti-poaching efforts, protecting wildlife and strengthening conservation enforcement in the region.

THE MUZANGA FOUNDATION

The Muzanga Foundation offers a meaningful window into life beyond the safari, rooted in community, creativity, and collaboration. Based in Mfuwe, it focuses on eco-farming, youth empowerment, cultural heritage, and education, with projects shaped alongside the local community.

Guests can visit the Muzanga Hub to engage with these initiatives and gain a deeper connection to the people and stories of the Luangwa.

For more information and welcomed contributions please contact us at conservation@greensafaris.com.
