KISAWA

Quick Facts

Sitting on 5km of pristine tropical coastline, Kisawa has been created to ensure maximum privacy, with minimum impact on the natural environment, showcasing a rich design culture that celebrates craft and heritage.

BAZARUTO CENTER FOR SCIENTIFIC STUDIES (BCSS)
BCSS opened before Kisawa in 2017 and has a strong track record of research achievements. It is an innovative platform, hosting the first permanent ocean observatory focused on multi-ecosystem, time series research in Africa.

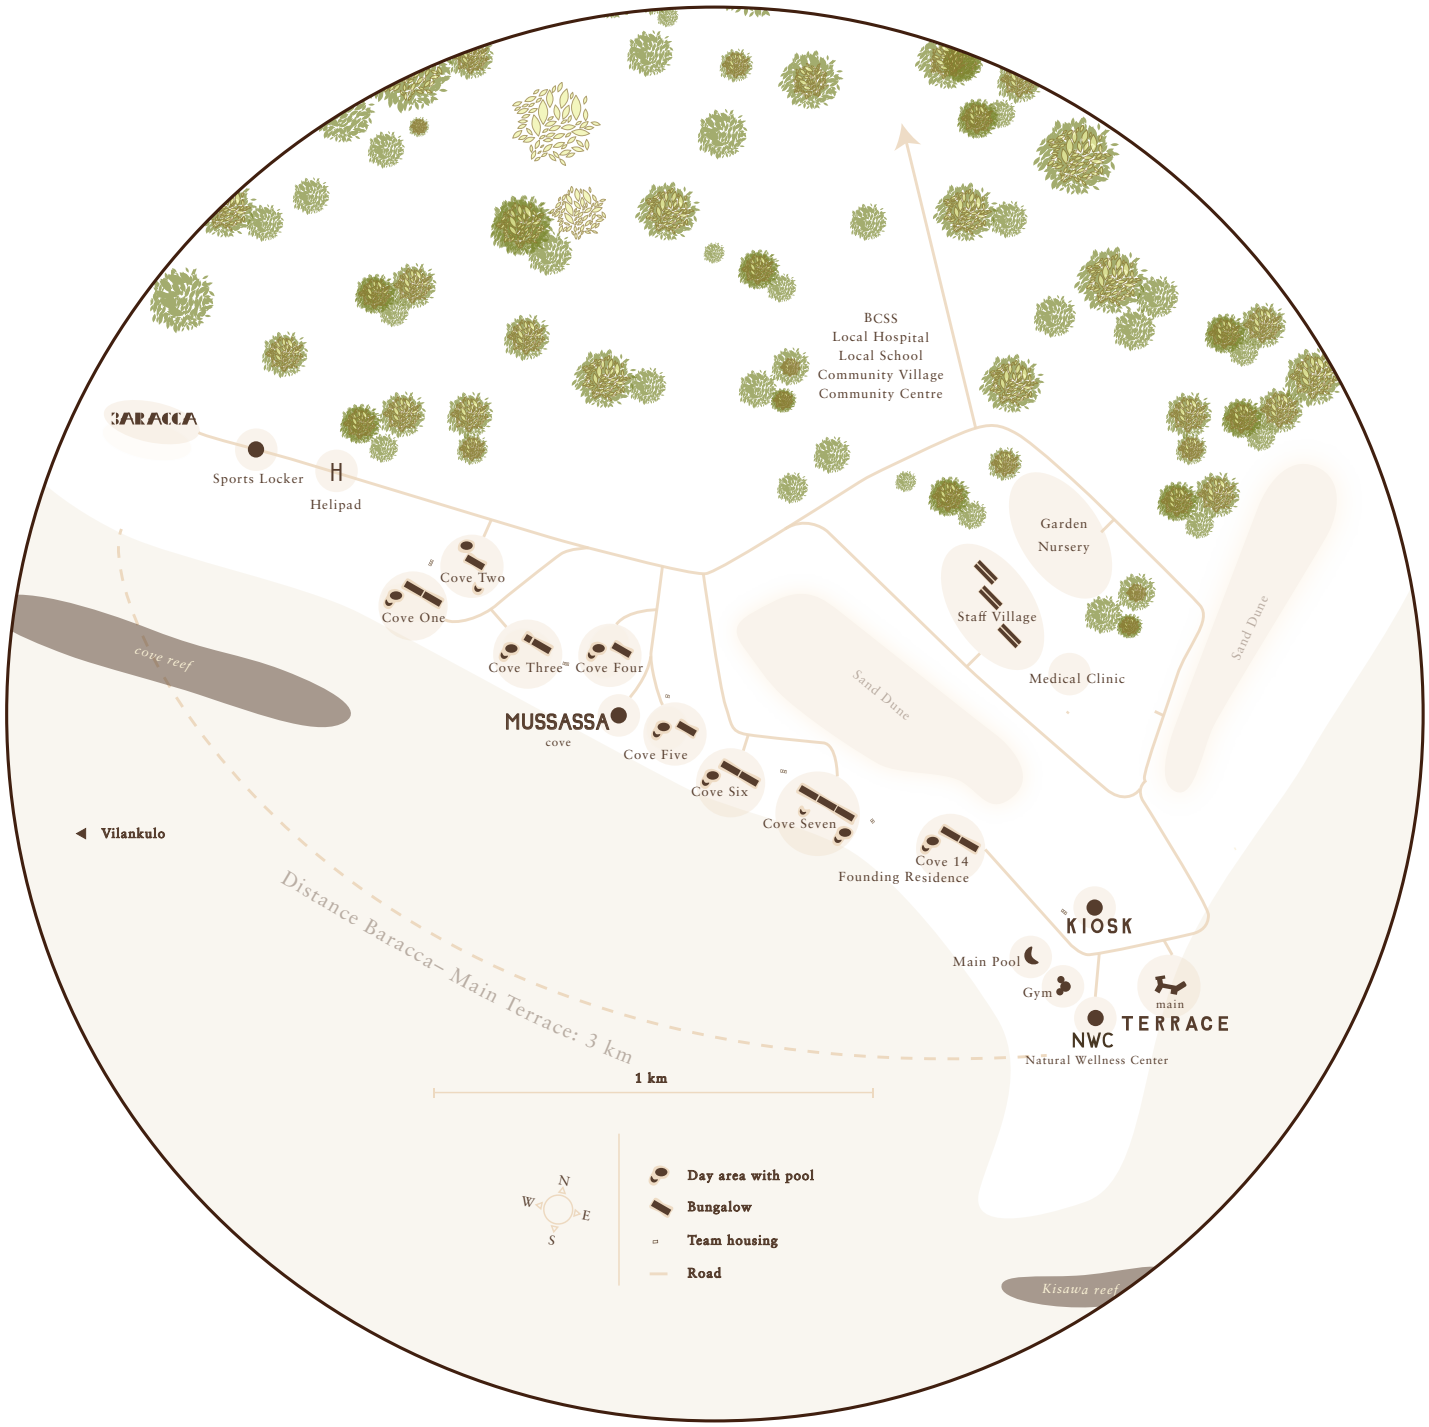

RESORT TO RESEARCH
The 'Resort to Research' initiative is a symbiotic relationship between Kisawa and BCSS, with a straightforward purpose: hospitality contributing directly to marine science and conservation.
