

Celebrate Love and Connection with a Kisawa

An unforgettable island escape with the space and privacy to be you

Relax into your newly married rhythm amid 300 hectares of tropical forest, dunes and coastline on Benguerra Island, Mozambique. With only 8 bespoke Residences carefully located on their own one-acre plot, Kisawa allows complete privacy – inviting couples to do what they wish, when they wish.

Exclusively for honeymooners staying five nights or more at Kisawa, this special experience includes a 60-minute private meditation and sound healing ritual at The Natural Wellness Center (NWC) and a personal cinema night, featuring the movie of your choice, will be screened in the privacy of your Residence.

To complete this romantic journey, a private Moonlight Dinner set on the warm sands of the Indian Ocean shoreline will celebrate love and connection under the stars.

In addition to the Kisawa Experience in All Inclusive, honeymooners receive:
