KISAWA

Quick Facts

Kisawa Sanctuary is a new concept in hospitality proudly celebrating the unbreakable bond between people and land. Sitting on 5km of pristine tropical coastline, Kisawa has been created to ensure maximum privacy, with minimum impact on the natural environment, showcasing a rich design culture that celebrates craft and heritage.

BAZARUTO CENTER FOR SCIENTIFIC STUDIES (BCSS)

BCSS opened before Kisawa in 2017 and has a strong track record of research achievements. It is an innovative platform, hosting the first permanent ocean observatory focused on multi-ecosystem, time series research in Africa.

RESORT TO RESEARCH

The 'Resort to Research' initiative is a symbiotic relationship between Kisawa and BCSS, with a straightforward purpose: hospitality contributing directly to marine science and conservation.

CULINARY

Dining at Kisawa

Throughout all culinary destinations at Kisawa, the ethos remains the same: to bring the best of Africa and Mozambique, in a fresh and modern way.

Kisawa has built a network of farmers and fishermen supplying natural, local produce from within 300km of the sanctuary. As much as possible is grown in house and made within the Kisawa Kitchen. From jams and pickles, to charcuterie and cheese, Kisawa is proud to express local flavours.
