

ONE OF NAMIBIA'S MOST ICONIC EXPERIENCES

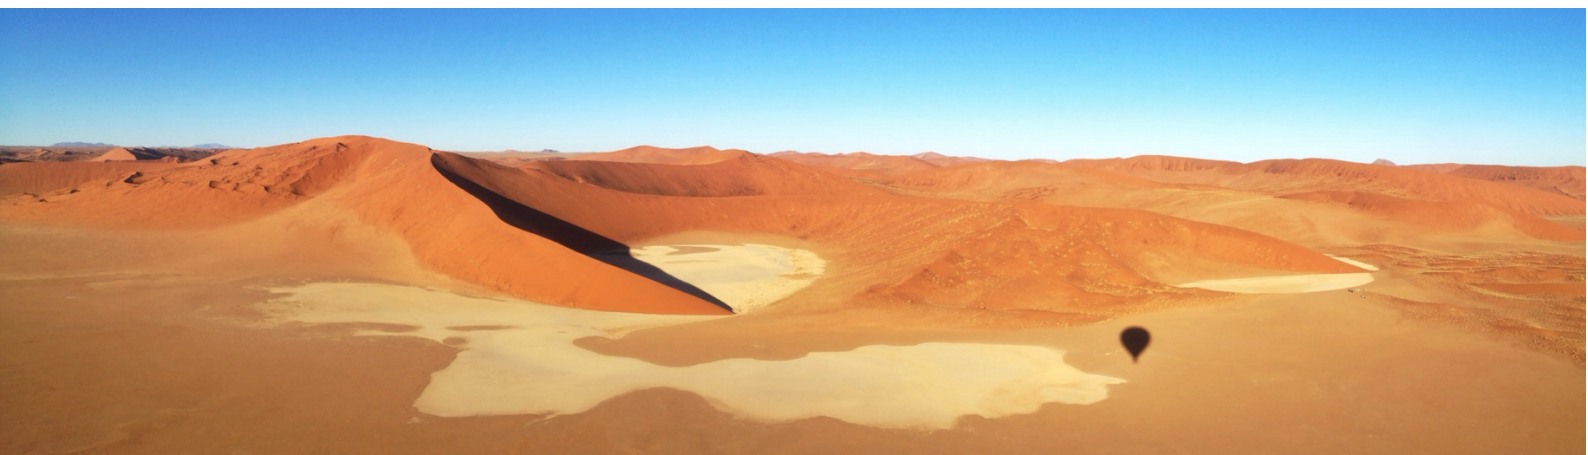

Operating since 1991, Namib Sky Balloon Safaris offers one of Namibia's most established and memorable desert experiences.

Flying at sunrise above the Namib Desert, guests drift silently over one of the world's oldest landscapes, revealing vast dune fields, ancient mountains and remote desert plains in the calm morning air.

With exclusive concessions within the **Namib-Naukluft National Park** and the **NamibRand Nature Reserve**, our flights access some of the most pristine landscapes in southern Africa.

Each safari concludes with the **Namib Sky Signature Desert Breakfast**, served in elegant safari style in the open desert following landing.

For many travellers, this balloon safari becomes a defining highlight of their Namibian journey.
