WEATHER

Dry season –May to September – Winter

Temperatures typically cool off to 12°C/54°F in the morning and 27°C/81°F in the afternoon.

June, July & August

Will be cold in the morning, as it averages around 10°C/50°F. Temperatures between 17°C/63°F in the morning and 30°C/86°F in the afternoon are normal.

December, January & February

Torrential rains during the afternoon are normal, making humidity very high. These months are the hottest and the wettest of all.

BEST TIME TO TRAVEL

We say year-round, as each season and month provides its own experience. It all depends on your preference between summer and winter. Generally during the winter months, the animals congregate to all the larger bodies of water as the bush becomes very dry. During the summer months the vegetation is lush and alive with birdlife and baby animals.

HEALTH INFORMATION

Aerotel is situated within a low-risk malaria area, please chat to your local GP for proper prophylactics before embarking on your trip.
