JUNGLE VISTA

boutique hotel

Manuel Antonio
Costa Rica

A B O U T U S

Our mission at Jungle Vista Boutique Hotel in Manuel Antonio, one of the world's greatest eco-destinations, is to create a nature-inspired guest experience for our visitors. With that in mind, we are committed to providing guests with every opportunity to experience the energy, vitality, and beauty of our amazing part of Costa Rica. We strive to provide our guests with stylish, spacious, modern accommodations that, combined with an unparalleled closeness to nature, will enhance your visit to our jungle paradise.

The hospitality team here at Jungle Vista — the same team that brought Los Altos Resort to Manuel Antonio — is proud to build upon our legacy to offer every guest the most wonderful experience possible. Our passion and respect for Manuel Antonio's one-of-a-kind rainforest ecosystem guided us in our vision at Jungle Vista, and our continued love and admiration for nature inspired us to design the property around these core values. Our vertical design buildings, with their small ecological footprints, give our guests a peek into the treetop world inhabited by many amazing local animals who rarely venture to the ground and are rarely seen up close.

Our artfully crafted suites and apartments reflect our desire to create a space in which guests feel the beauty of our natural surroundings inside and out. This means we placed an emphasis on large windows that allow for panoramic forest views and foster the seamless flow of natural light into the rooms as well as furnishings that integrate with the space, not clutter it. The balconies in every room offer an ideal way to literally step outside and experience the rich sights, smells, and sounds of the rainforest. Additionally, our pools and patios provide an ideal space to kick back, relax, and admire the spectacular rainforest that surrounds our jungle hotel.

LOCATION

There is so much to love at Jungle Vista, and one thing is its location. Its extraordinary proximity to natural surroundings as well as our central location to Manuel Antonio's most attractive destinations make it a place you will not want to leave.

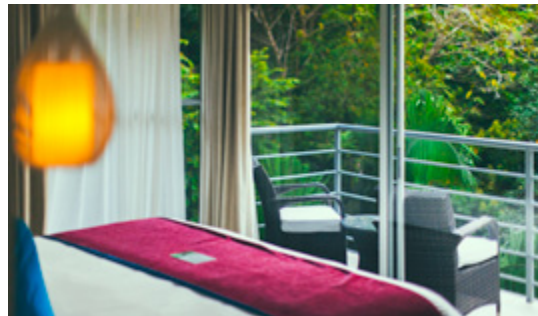

Located in the heart of Manuel Antonio, Jungle Vista Boutique Hotel is perfectly situated for access to the best of everything the area has to offer. A short walk up to the main road guests can find the area's best restaurants, souvenir shops, pharmacies, and grocery stores. The world-famous Manuel Antonio National Park is only a 5-minute drive as are its world-famous beaches. Lovely beaches are also extremely near, either a short drive or walk away.

Especially close to Jungle Vista, Playitas Beach, is a local secret gem, and just half a mile down the road (800 meters). Also, about the same distance away and is easily accessible by foot is Biesanz Beach. Many other area beaches are a short drive away.

OUR SUITES

All our studio-style suites and apartments are larger than an average hotel room, providing our guests with extra space and comfort during their stay.
