— LODGE - TANZANIA —

Exclusive | Exquisite | Exceptional

Lake Duluti Lodge is made up of 19 spacious contemporary African styled romantic chalets and 2 family units, each family unit has two bedroom and one shared sitting room ideal for families or small groups. The rooms are positioned for maximum privacy and view inside a thirty-acre active coffee farm located in a safe and exclusive area on the outskirts of Arusha. All chalets are positioned to face the coffee farm and each has a private deck with an amazing view of the ancient indigenous trees found in big number within the farm.

The lodge has been designed in a way that you will feel like you are staying at home rather than at a top end hotel. Lake Duluti lodge prides itself on its finest cuisine, first class exclusivity, five star personalized excellent services, top class amenities and the ecofriendly architecture and operations.

Offering personalized attention and styled accommodation which play on a motif. Our Staff have a distinctive vibe and never have the “cookie cutter” feel of being one in a series.
