

Sanbona Wildlife Reserve is an authentic and contrasting natural space; it serves as a major role player in the conservation realm which is imparted and intricately woven into our guest experiences. It is a true example of a successful rewilding project on an epic scale within the Western Cape, underpinned by peer-reviewed, research-based conservation practices.

Conveniently located along Route 62, a mere 3.5 hours from Cape Town, the Reserve aims to create a balance where critically important ecosystems, endangered wildlife and flora can prosper. Sanbona has an alluring atmosphere of stillness and an air of isolation amid the raw beauty and boundless plains.

Sanbona Wildlife Reserve incorporates three luxury lodges - each one unique with its own essence. Lodges are designed in harmony with their surroundings where guests can experience nature in sublime comfort. All lodges operate independently, with a full staff complement including its own management team, chef brigade, hosts and experienced field guides. Sanbona and the spirit of the San people welcome you.
