**** Pick-up time is approximately 1 hour before first light and please allow up to 4 hours for this tour.****

* For those in the group that would like to come and watch their friends/family enjoy a hot air balloon flight. They will travel with the crew to where the balloon lands and meet up with the rest of the party to enjoy the light refreshments. Must be booked in conjunction with at least 1 adult balloon flight and children cannot chase on their own. Limited space.

* We may not be able to pick-up from private addresses and some properties located in rural areas and the outskirts of town centre, please enquire at time of booking.

** Depending on many operational factors, which vary each day, passengers may be on the ground or in the balloon when the sun is actually coming over the horizon or rising, either way you will still see an amazing dawn.

What to wear & bring

It is dusty in the Outback. Outdoor clothing (preferably not white), long pants and hat or cap are recommended. Enclosed flat heel shoes are essential. It is no colder in the balloon than on the ground but it can be cooler before sunrise. Warm clothing may be necessary from approx May to Sep. Loose items such as dangling jewellery and scarves are not permitted once passengers reach the launch site and disembark from the bus.

Don't forget to bring your camera/phone/GoPro to capture this amazing adventure.

General health

Physical fitness is not a requirement to enjoy a ballooning adventure, but passengers must be able to climb up and into the basket (approx. 1.2 metres in height) unaided using the basket foot holes and stand for the duration of the flight. Assisting the crew to pack up is entirely voluntary and we do appreciate assistance in these enjoyable activities. However, it does involve some lifting.

TERMS & CONDITIONS: Child age is 6-14 years and must be accompanied by an adult. 3-5 years are not recommended but considered on an individual basis. Passengers who cancel within 24 hours of departure or do not show up in the morning for the transfer will be charged or not be given a refund if they have prepaid. Ballooning is an aviation related adventure activity and does contain an element of risk. Passengers must comply with instructions from the pilot and ground crew in accordance with Civil Aviation Rules & Regulations. The pilot's decision with regard to safe flying conditions is final. There are restrictions in regards to people flying who are pregnant, have a disability and/or medical condition. Please enquire prior to making your booking. Refer to our website for full terms and conditions.
