

An aerial photograph of the Auberge Safari Lodge, showing several large, low-rise buildings with red-tiled roofs and white walls, surrounded by lush green lawns and numerous trees, including many with vibrant purple blossoms. The lodge is situated in a vast, open landscape with a dense forest in the background and rolling hills under a clear sky.

Legendary Lodge

Auberge Safari

Legendary Lodge

Located on the outskirts of Arusha, this 5-star sanctuary is tucked away within the grounds of a working coffee estate – giving it an air of seclusion amid an otherwise bustling town.

Here, guest-centric service ensures your every need is catered to and your every comfort captured. Known as the gateway to the northern safari circuit, the lodge – with its spacious cottages and sprawling tropical gardens – is the perfect setting to prepare for or reflect on your safari.

01 IDEAL ARRIVAL AND DEPARTURE POINT FOR YOUR SAFARI

Located on a sprawling coffee estate on the outskirts of Arusha, Legendary Lodge is the ideal stop whether you're about to embark on or are winding up your safari adventures in Tanzania.

02 SPACIOUS COTTAGES WITH GARDEN VIEWS

Relax in our luxurious garden cottages, where peace, privacy, and elegance combine to create the perfect safari retreat.

03 FAMILY-CENTRIC STAYS

The lodge is the ideal setting for families, with activities and experiences catering to all ages. A blend of fun, relaxation, and togetherness ensures an enjoyable time for all.

04 PERSONALIZED WELLNESS AND SPA SERVICES

Unwind with tailored treatments in our serene spa or the privacy of your cottage, perfect for post-safari relaxation.

05 CULINARY FLEXIBILITY

Enjoy gourmet meals in beautiful settings, from your private veranda to garden dining – with each experience tailored to your needs.

Weather

Warm temperate climate year-round.

	Jan - Mar	Apr-Jun	Jul-Sep	Oct-Dec
Average day	28°C / 83°F	23°C / 74°F	25°C / 77°F	27°C / 81°F
Average night	14°C / 57°F	14°C / 57°F	12°C / 55°F	14°C / 57°F

Rainfall

The short rains are usually from mid-November to mid-January, with a wonderful, temperate climate from December to March. The long rains are between April and May, and June to mid- November is the dry season.

PLEASE NOTE:

Travel Visa

Visas are required for most countries. Please review visa arrangements, requirements, and e-services prior to arrival by visiting the Tanzanian Immigration Department’s website.

Currency

Tanzanian Shillings and the United States Dollar are accepted (USD notes must be printed from 2006 onwards and not have any marks on them).

Malaria

Protection recommended — seek advice from your doctor before traveling.

Yellow Fever

A Yellow Fever certificate is not required for Tanzania but may be required if traveling via neighboring countries.

Medical Insurance

We highly recommend guests obtain medical insurance prior to arrival, with a policy cover inclusive of emergency airlift evacuation.

Drones

Are prohibited unless a special permit is obtained prior to arrival in the country.

COMMITMENT TO CONSERVATION

Leading our Tanzania wildlife management is our affiliate, the Friedkin Conservation Fund (FCF), a non-profit organization focused on impactful philanthropy and conservation initiatives throughout Tanzania.

Working in conjunction with our affiliates, FCF is responsible for safeguarding two vast wilderness areas that form vital buffer zones to the Greater Serengeti and Ngorongoro Crater ecosystems. To do this, FCF engages the communities that share the land with us as partners in conservation and collaborates with stakeholders in effective wildlife management and research.

Community empowerment is the cornerstone of FCF's work. This includes implementing initiatives aimed at education, improving health, and providing training in sustainable income-generating opportunities for communities neighboring our protected wildlife areas. Through these efforts, FCF aims to uplift local communities and demonstrate the value of protecting these ecosystems. Combined with conservation projects such as anti-poaching, wildlife monitoring, and habitat management, this holistic approach enables FCF to make a tangible impact in its efforts to protect this vital wilderness.
