Please refer to our **Getting To Sungani** document for more detailed information.

Most international guests arrive via Lusaka, Zambia. You then need to catch the scheduled domestic flight to Mfuwe International Airport. Once you arrive in Mfuwe we will collect you and fly to Luamfwa airstrip in our plane. This is a 20 - 25 minute flight and is included in the rates. If preferred, collection can be done by road which will take around 3 hours (rates stay the same).

Our plane is a Cessna 206 and holds 4 passengers comfortably. **Chartering direct** to Sungani from Lusaka is also a great option. Please discuss this with your travel designer or our reservations team.

Please note that you need to arrive during the day so that we can air transfer you before dark.
