PANORAMA TOUR

ZAR 2860 pp (min 2 persons)

Duration 8 hours

Explore one of South Africa's most picturesque routes with an experienced guide as you take a tour of the area's many natural wonders. You will see The Pinnacle Rock towering 30m above the forest as well as God's Window, one of South Africa's most famous vantage points (on clear days you can see as far as Mozambique). Other highlights include the spectacular Lisbon Falls and unusual rock formations of Bourke's Luck Potholes. Lunch is enjoyed halfway through the journey (own account) and there's a chance to explore the colourful craft markets en-route.

BOURKE'S LUCK POTHOLES

These large, cylindrical potholes have been created by the churning whirlpools that occur when the Treur River plunges into the Blyde River Canyon. They are named after Tom Bourke, a miner who correctly predicted that the area would yield large deposits of gold but never struck it rich as the gold was discovered just south of his claim.

BLYDE'S RIVER CANYON

Blyde River Canyon is one of the largest canyons on the planet and the second largest in Africa. Renowned for its red sandstone cliffs and lush subtropical foliage, this natural marvel stretches for 26km and is 762m deep on average.

THREE RONDAVELS
