

SONGA MIGRATIONAL CAMP (NORTH)

*Legendary Expeditions*

## SONGA MIGRATIONAL CAMP (NORTH)

Songa Migrational Camp follows the path of the Great Migration, relocating twice yearly between the northern and southern Serengeti. Guests are granted a front-row seat to the procession of more than two million wildebeest, zebra, and Thomson's gazelle as they traverse the great grass plains.

In its northern location, Songa is primely positioned among the rolling hills of the Kogatende region. This location sets you in the heart of the action as the mega herds prepare to undertake the dramatic Mara River crossings (typically occurring between July and October).

- 1 Private guide and vehicle included in every booking**  
Every booking at Songa Migrational Camp includes a private guide and vehicle, ensuring a tailored and exclusive safari experience where you can explore the wilderness at your own pace.
- 2 Access to the Great Migration river crossings**  
The camp's setting is a short drive from the banks of the Mara River, providing unrivaled access to the dramatic river crossings if and when they occur.
- 3 Sundowner experiences overlooking the Serengeti**  
Enjoy exclusive sundowner experiences with breathtaking views of the Serengeti's rolling landscapes. Sip a refreshing drink and watch as the sun dips below the horizon.
- 4 Exceptional access to predator-prey interactions**  
Located in the heart of the migration route, Songa offers exceptional opportunities to witness predator-prey interactions, from lion hunts to cheetah chases.

## Security

As there are no fences and wildlife can pass through the camp at will, the camp is patrolled around the clock by askaris (guards) to ensure your safety.

## Disabled access

Due to the camp's layout and sandy pathways between tents, the camp is not wheelchair-friendly.

## Breakfast

Enjoy a continental-style spread of fresh fruits, cereals, homemade yogurt, and freshly baked pastries. A selection of hot breakfasts are also on offer.

## Lunch and dinner

Lunch and dinner are a selection of 'family-style' sharing plates for the table.

## In-room dining

Available by prior arrangement.

## Al-fresco dining

Enjoy breakfast, lunch, or sundowners in the camp's al fresco dining areas (weather dependent).

## Picnics

Picnic breakfasts or lunches can be packed in hampers for full-day activities.

## Commitment to *conservation*

Core to the Friedkin Conservation Fund Tanzania's (FCFT) mission is the ongoing protection of Tanzania's natural heritage. As the conservation and philanthropic arm of Legendary Expeditions, FCFT is responsible for safeguarding 2 vast wilderness areas that form vital buffer zones to the Greater Serengeti and Ngorongoro Crater ecosystems. To do this, FCFT engages the communities that share the land with us as partners in conservation and collaborates with stakeholders in effective wildlife management and research.

Community empowerment is the cornerstone of FCFT's work. This includes implementing initiatives aimed at education, improving health, and providing training in sustainable income-generating opportunities in the communities that neighbor our protected wildlife areas. In doing this, FCFT aims to uplift these communities and encourage them to see the benefits of protecting these ecosystems. This, combined with conservation projects such as anti-poaching, wildlife monitoring, and habitat management, enables FCFT to make a tangible impact in its efforts to protect this vital wilderness.
