A photograph of a woman with dark hair and a straw hat, sitting in a light-colored hammock. She is facing away from the camera, looking out over a bright, sandy beach and a calm, light-blue sea. The beach is dotted with a few small boats in the distance. In the foreground, there's a large, thatched roof structure, possibly a sunshade or a small pavilion, with several wooden poles supporting it. The ground is a light-colored sand. In the bottom foreground, there's a edge of a swimming pool with a few striped towels on the side. The overall atmosphere is peaceful and tropical.
