About Franschhoek Country House & Villas

Franschhoek Country House & Villas is a boutique hotel and restaurant situated on the outskirts of the village and is surrounded by enchanting vineyards and majestic mountains. It is the perfect getaway for anyone visiting the Western Cape with only an hour's drive from Cape Town.

The Country House is a restored manor house and former perfumery dating back to 1890 offering 14 standard and luxury rooms in addition to the 12 opulent Villas suites. All of the en-suite rooms offer features and facilities expected of a first class hotel including LED tv's, free Wi-Fi, espresso machines, aircon, etc. Almost all rooms lead out onto private balconies or private patio with magnificent views.

The opulent Villa Suites are havens of style and luxury, each 100sqm in size with separate lounge, fireplace, dvd player, music throughout, two balconies, and more!

During summer, guests can laze at one of the two pools (one heated) with beautiful mountain vistas, enjoy a massage, visit the boutique wine-farms in Franschhoek, or stroll in the charming town of Franschhoek. The hotel also offers a complimentary shuttle service to and from the village centre.

The award-winning in-house Monneaux restaurant, has become known for its modern and tasteful cuisine. A-la-Carte lunches are served on the magnificent new fountain terrace whilst dinner is served in the understated, yet elegant, dining room or enclosed verandah.
