

### **CHOBE RIVER CAMP – (INCLUDING CAMPING)**

4km from the Ngoma border post between Botswana and Namibia

[360 google Virtual Tour Link](#)

Gaze over the flood plains and enjoy luxurious solitude on the banks of the Chobe River. Assuring extraordinary experiences, we offer 20 tented chalets. The lodge was inspired by the natural beauty of the landscape and all chalets have been constructed using indigenous Mopane timber and canvas. This offers not only a stunning sight, but an environmentally conscious design.

Expect a unique and wondrous experience when visiting the Camp. This region is Namibia's very own version of the Serengeti and offers a rare experience. With a bit of luck, you can see large herds of elephants, buffalo and antelope. Activities may be seasonal but will always amaze and intrigue our guests.

Chobe River Camp is a wildlife and birder's dream and is the ideal place to break away, just across the river from the world-renowned Chobe National Park, home to one of the largest concentrations of elephant on the African continent. The Camp is also the ideal place for day trips to Victoria Falls, located only 150km away.

## ACTIVITIES & TRANSFERS

In the dry season between September and December, the rivers tend to hold so little water that boat trips are limited, with little or no access to the river channels. You are welcome to enquire about the boat cruise activities upon check-in. We make every effort to maintain the activity as long as water levels permit. The safety of our guests comes first.
