SAFARI RIDES

Experience the breathtaking Namibian landscape like never before with Midgard's signature Safari Ride – a unique safari on horseback. These guided excursions trek across diverse terrain, offering incredible scenic views and close encounters with stunning wildlife. The Safari Ride is perfect for beginners (with children as young as 6 years old riding on a lead rein with our experienced guides) and advanced riders.

SUNRISE & SUNDOWNER SAFARI RIDES

For a truly unforgettable experience, join our sunrise or sunset safari ride. These special rides include additional hilltop snacks and refreshments, allowing you to witness the magic of the Namibian sunrise or sunset from a unique vantage point while enjoying absolute peace in the surrounding nature. An additional fee applies for these sunrise and sunset experiences.

RIDING LESSONS

Our riding lessons cater to all levels, from beginner to advanced, building confidence and skill. We offer lunging lessons as well as dressage and show-jumping.

Please note: As part of the learning experience, students are responsible for preparing their own horse for lessons.

HORSE EXPERIENCE

Designed for young riders (ages 12 and under), this hands-on experience allows children to interact with and care for our gentle horses. It includes a 15 minute brushing and preparation session followed by a 15-minute ride with the guide leading the horse.

Time slots: 07h00 – 10h00 and 15h00 – 18h00

PLAN AHEAD

Our horses roam freely across 100 hectares of land, so preparation takes time. We recommend booking at least 2 hours in advance (preferably longer) to ensure your preferred experience is available.
