PROPERTY DESCRIPTIONS

BASECAMP ADVENTURE

Basecamp Adventure is a tented camp made of only 6 tents located on a beautiful, forested bend of the Talek River, right next to the world-famous Masai Mara National Reserve, and embodies the essence of simplicity under canvas with an abundance of private open space for the intrepid explorer yearning for an atmosphere of adventure.

The intimate and relaxed atmosphere of the camp allows you a unique safari experience in a prime wildlife area. It is the ideal place to unwind, either in the lounge reading a book or from the comfort of your tent, where you can spot different animals as they take a drink from the river.

At Basecamp Adventure you reconnect with nature thanks to the essential and pure atmosphere of the camp. Our activities are designed for those who want to immerse themselves in the local community, its culture and experience the day-to-day conservation efforts to save our common heritage
