

Auberge Safari

What Sets Us Apart

1

UNRIVALED
ACCESS

A seamless circuit spanning northern Tanzania, from the Serengeti National Park to our two exclusive-use wildernesses: the Greater Mwiba Protected Wildlife Area and the Burunge Wildlife Management Area.

2

BEYOND
OVERTOURISM

With access to two exclusive-use protected wildlife areas, our guests can enjoy a safari beyond the crowds, where the wilderness has room to breathe. .

3

ALL-INCLUSIVE
EXCELLENCE

Every journey with Auberge Safari includes a private guide and vehicle, gourmet dining, select beverages, and signature experiences.

4

PRESENCE
OVER PACE

Our journeys offer a new way of experiencing the wild, rooted in the Slow Safari philosophy born at Chem Chem: no fixed schedules, no shared vehicles, and no rush.

5

DESIGN SHAPED
BY PLACE

Each camp and lodge is designed as an extension of its setting, with interiors that draw their textures, tones, and character from the landscape beyond the canvas.

6

THE CULTURAL
CONNECTION

Meaningful encounters with the Barabaig, Maasai, Hadzabe and Datoga offer a deeper understanding of the land and its people.

7

EXPERIENCES BEYOND
THE ORDINARY

Safari extends beyond game drives through walking, helicopter and night experiences, stargazing, and timeless rituals, complemented by health-led dining and restorative nature-based wellbeing.

8

CONSERVATION
AT OUR CORE

Every stay with Auberge Safari supports the work of two independent conservation organizations, the Friedkin Conservation Fund and the Chem Chem Association, protecting Tanzania’s most ecologically significant landscapes while empowering communities and safeguarding wildlife.
