## *2026 Rack Rates & Trading Terms*

*'We remain utterly focused on people first. We revel in curating our guests' experiences and emotional connections, with the resulting understanding of a sense of place we are so proud and privileged to serve. The social dividend and impact-for-good through delighting our guests paints a bright future — commercial and sustainable luxury travel which makes a significant difference.'*

*We are excited about 2026, there is a lot on the go, and much to look forward to. Some of the highlights include, operational connectivity improvements within the circuit (scheduled flights door-to-(almost) door between Angama Amboseli and Angama Mara); completion of the road through the critical 'pinch point' conservation corridor seamlessly connecting Angama Amboseli to Amboseli National Park; infrastructural improvements within Angama Mara and a culture of continuous development of guest delight from dining to guiding, and everything in between, in all camps.*

*In the Standard Season, Angama Safari Camp's tranquil riverine escarpment location is a beautiful extension of the iconic Angama Mara, however, the Camp will remain down in the heart of the mega herds of the Mara Triangle during Great Migration Season ensuring front row seats for our guests.*

*We place tremendous value in our people and this, our tenth year of operating, recognises over 70% of the staff who opened the lodge are still with us! Nicky Fitzgerald, the founder and highly engaged director, remains as close to the business as always, as Angama looks forward to another ten years of steadfast and engaged partnerships with you all. Thank you for your support.'*

*Sincerely,*

**Rosco Wendover, CEO**
