About THE MELIÁ COLLECTION

Luxury travelers show a clear preference for boutique hospitality over large hotel brands, as they seek singular and authentic experiences that make them feel exquisitely welcome. The Meliá Collection's uniqueness and independent spirit unfolds a new definition of experiential luxury travel, through an exclusive array of hotels that shine with charm and a tailor-made service, boast an artistic and cultural legacy and always respect each hotel's unique narrative.

Ngorongoro Lodge Meliá Collection combines the most exclusive luxury with African traditions. Designed with the utmost respect for the environment, Ngorongoro lodge allows you to sleep accompanied by the sounds of nature, wake up admiring the Ngorongoro Crater, and enjoy a truly extraordinary stay.

Each of the rooms and suites in our lodge reflects the best of this natural paradise, offering travellers a magical stay in which every detail matters. Natural materials that blend in with the scenery and enviable views accompanied by unique experiences.

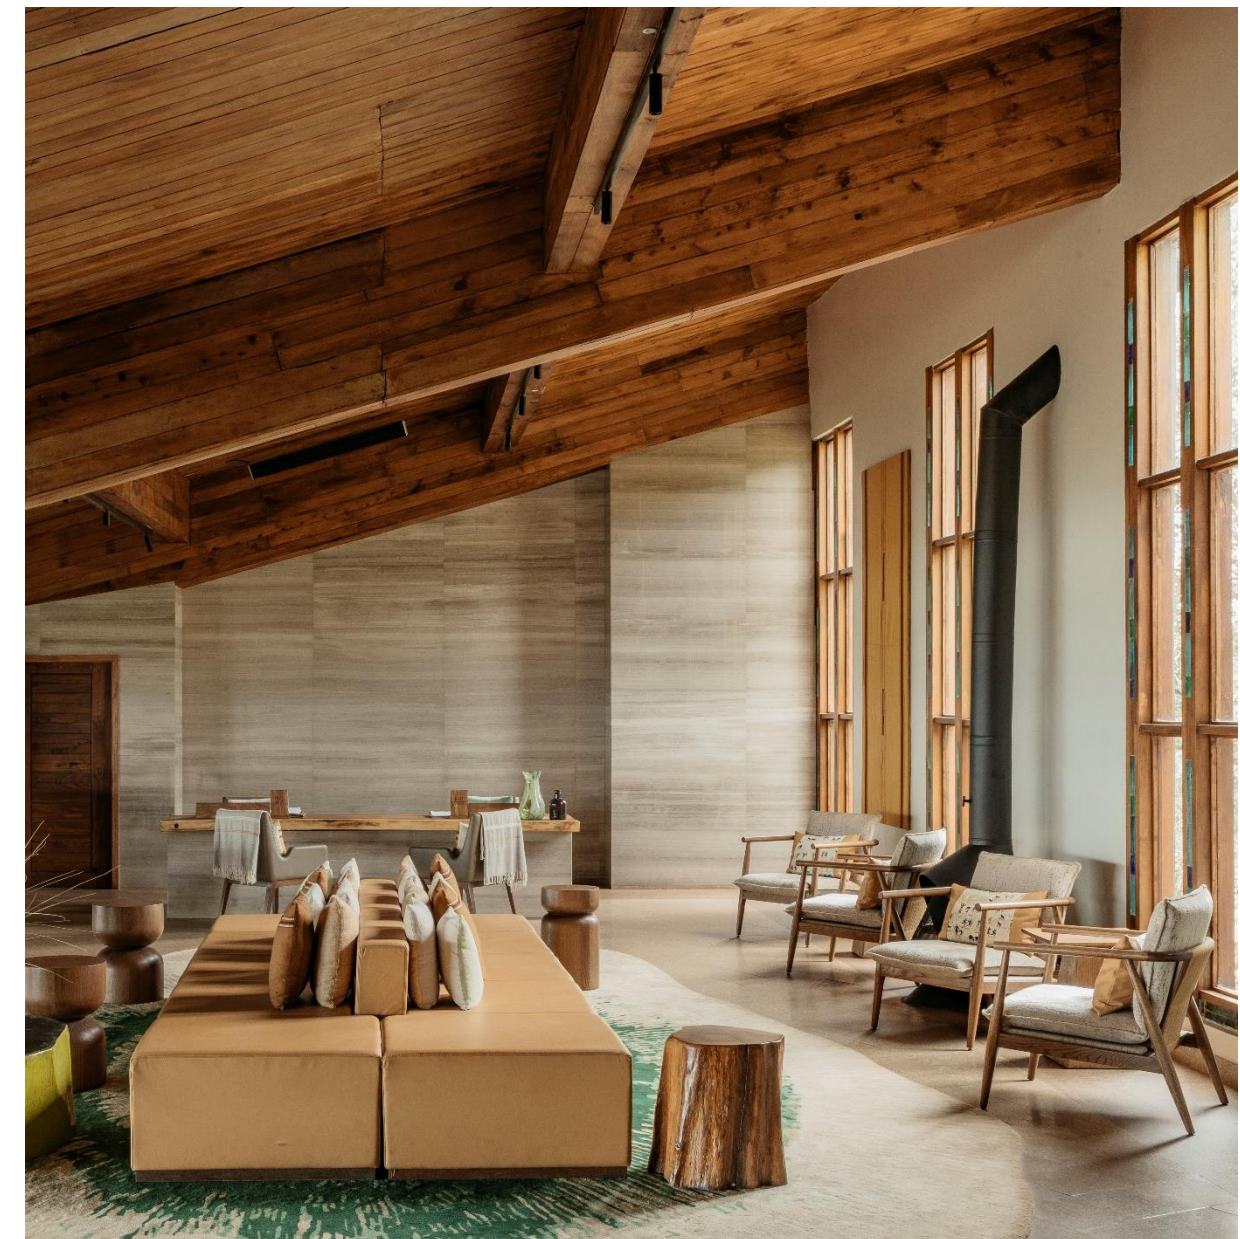

Ngorongoro Lodge Meliá Collection is fully integrated with the local biodiversity, home to the Maasai, one of the largest tribes in the country. Discover the Ngorongoro Crater during a safari and enjoy Tanzania's most extraordinary wildlife and scenery.

After a long day of adventures, relax in our exclusive spa and delight yourself with a gastronomic proposal deeply rooted in the local cuisine.

NGORONGORO LODGE:

Embrace the beauty
of Tanzania

The Ngorongoro Conservation Area is home to an ecosystem that is unlike any other in Tanzania. The lodge’s unique location, Ngorongoro Crater, is a breath- taking 8.000-meter square natural oasis due to its stunning biodiversity, with more than 25,000 animals and 2.5 million years of history.

Ngorongoro Lodge is part of a select collection of lodges in the so-called “crater highlands” area in the Arusha region in northern Tanzania, 180 km from the city of Arusha with access to Kilimanjaro Airport (220 kms) and Lake Manyara, (41 kms).
