## TAKE A MAGIC CRUISE

**Step into luxury and vintage charm on the famous Knysna estuary, and feel the magic of this special place. Magic Lagoon Charters invites you for the cruise of a lifetime.**

What makes Magic Lagoon Charters unique is the elegance and comfort that awaits you on their fleet of vintage wooden vessels. Join their knowledgeable team on a trip through the channels and waterways of the Knysna lagoon. Enjoy nature at its finest with bird and marine life and let your skipper share the history and anecdotes of Knysna and the lagoon. This is all done in the lap of luxury with bubbly and oysters or perhaps a light lunch – all available when you pre-order.

# COQUETTE

Explore Knysna in a 103-year-old Thames River Launch which was imported from London to its Knysna home in 2018. This is a traditional River Thames wooden vessel designed to seat up to twelve passengers in absolute comfort. Relax, enjoy the view, super smooth ride, and share the experience with your friends or colleagues. Coquette, meaning to flirt, is the oldest operating vessel in Africa. Explore the lagoon, see the Knysna Heads up close and personal, all the while sipping on chilled bubbly, a selection of Knysna gin with oysters or snacks.

**The most magical experience.**
