30 km northeast of Mariental on the C 20 (Kalahari)

[360 google Virtual Tour Link](#)

On the Eastern fringes of Namibia, the red sands of the Kalahari beckon. Let us introduce you to the place of burnished sands at Kalahari Anib Lodge. Easily accessible by sedan car and 30km from Mariental, this Kalahari lodge is a good overnight stop if travelling between Windhoek and the south or continuing to the Kgalagadi. There's nothing like feeling the good earth underfoot, so stretch legs on the trails around the lodge, keeping eyes open for oryx, springbok, zebra and wildebeest and take the chance to breathe in the character and energy of this distinctive area, feeling closer to the land.

Explore the Gondwana Kalahari Park on the sunset drive and celebrate life atop a red Kalahari dune. Drink in the beauty of the Kalahari where gemsbok flourish and sociable weavers build gargantuan nests atop camelthorn trees. The optimum time to experience the Kalahari colours is when the sun dips in the late afternoon and lights up the sand as if glowing from an inner fire. Don't miss this time of day when the Earth seems to pause for Kalahari magic. Providing an oasis in the desert for groups, individual travellers and campers, Kalahari Anib Lodge is a relaxed and down-to-earth stopover for a taste of Kalahari.
