A Safari Under the Stars

Handcrafted four-poster wooden beds sit on raised platforms extending from thatched-roof accommodation, perfectly positioned for sleeping under the endless African sky. Each bespoke bed rolls seamlessly onto a private open deck, allowing guests to experience the magic of the starlit night in complete comfort.

Built into a rocky granite kopje, Loisaba Star Beds combines adventurous design with the wild beauty of the Northern Frontier. Open-air living spaces and elevated platforms offer panoramic views across the Laikipia plateau, creating a serene sanctuary seamlessly integrated into the natural landscape.

Key Highlights

Unique Star Beds Accommodation

Loisaba Star Beds offers the rare luxury of sleeping under the glittering canopy of the Milky Way on custom-built roll-out platforms. Completely free from light pollution, guests safely immerse themselves in the sights and subtle sounds of the surrounding wilderness.

Diverse Safari Activities

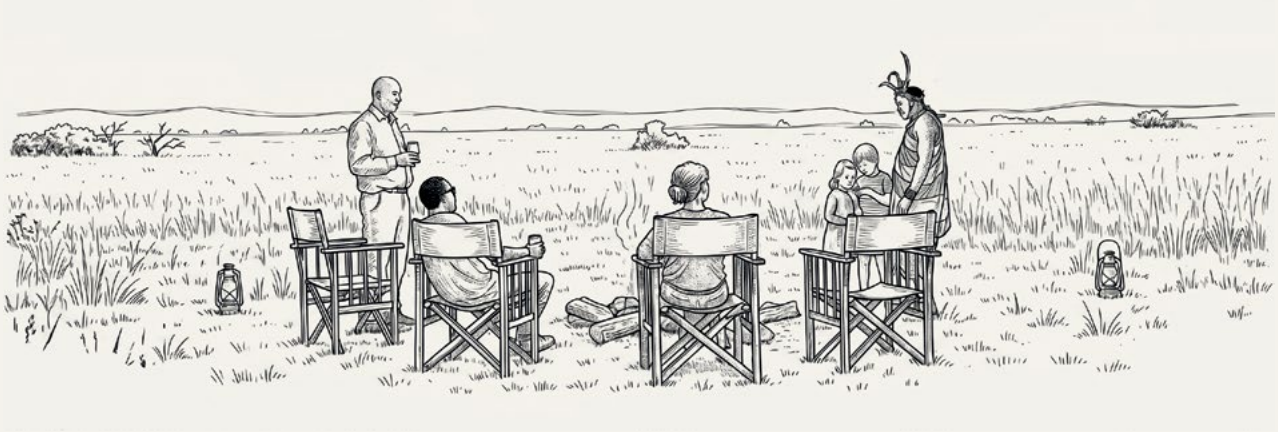

Renowned for its dramatic landscapes, the conservancy provides an extensive selection of curated experiences beyond standard game drives. Visitors can explore the wilderness via guided walking safaris, horseback rides, camel treks, mountain biking, or interactive conservation visits.

Exclusive Low-Density Location

Spanning a vast 230-square-kilometre private sanctuary with strictly limited accommodation, the property ensures exceptional privacy. With nearly five square kilometres of African bush dedicated to every bed, guests enjoy a remarkably uncrowded safari setting.

Pioneering Conservation Model

The property operates on a multilateral model uniting local communities, research institutions, and sustainable tourism. Travellers learn firsthand about cutting-edge wildlife protection, anti-poaching units, and community development strategies.

Artisan & Celestial

Cleverly built into a granite kopje, each thatched-roof platform combines rustic craftsmanship with understated luxury. En-suite bathrooms lead to private wooden decks where handcrafted beds roll out to reveal uninterrupted views of the Laikipia night sky—an extraordinary retreat where night-time stargazing meets total comfort.

- **3 Star Bed Rooms (64.0m²):** Spacious, open-air en-suite double platforms built into the rock face.
- **1 Family Star Bed Suite (100.0m²):** Generous family platform featuring two double beds and shared en-suite facilities.
- **Extra Bed:** Platforms can accommodate one extra bed indoors (extra beds do not roll out).
- **Wheelchair Accessibility:** Platforms 1 and 2 offer step-free wheelchair access.

Elevated high above the valley for complete privacy, the platforms provide front-row seats to watch wildlife gather at the waterhole below, drifting off to the sounds of the bush and waking to golden Laikipia sunrises.

Positioned among ancient rock formations, the lodge provides a quiet retreat defined by a raw connection to the surrounding landscape. Simple, elegant design allows the natural beauty of the kopje and the infinite night sky to take centre stage.

From adventurous camel treks to the quiet magic of sleeping under a canopy of stars, life at the Star Beds is defined by a raw connection to nature. Here, every guided walk and every starlit night serves as a profound reconnection with the African wilderness.

The Culinary Experience

At Loisaba Star Beds, the culinary experience is entirely Kenyan and cooked in the open. Local produce and local traditions shape the menu, while much of the cooking happens fireside beside the guest's table rather than hidden away in a conventional kitchen.

Both lunch and dinner are served family-style and designed to be shared, reinforcing the intimate, communal spirit of Star Beds. As night falls, the chef cooks beside the fire while guests dine beneath an immense African sky.

Simple, authentic and deeply connected to its surroundings, the experience celebrates Kenyan food through the elemental pleasures of open-air cooking, generous sharing and genuine hospitality.

Sustainability & Conservation

A low-impact retreat powered by solar energy, circular waste management, and community partnerships across the Loisaba Conservancy.

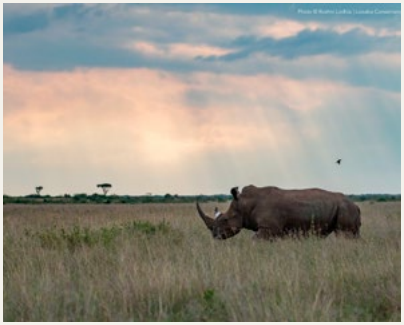

Environmental Stewardship

- **Accreditations:** Certified with a Gold Eco-Rating by Ecotourism Kenya and signatory of the Glasgow Declaration, operating on solar power with biological wastewater treatment and low-impact cooling solutions.
- **Resource & Circular Waste Management:** Zero-tolerance single-use plastic policy, rainwater harvesting, off-site solid waste recycling via TakaTaka Solutions, and regular Land & Life Foundation environmental audits.
- **Wilderness Protection:** Active conservation within the Loisaba Conservancy, recently supporting the landmark reintroduction of 21 critically endangered black rhinos to the landscape.

Community & Local Legacy

- **Women's Micro-Enterprise:** Partnering with the Land & Life Foundation to empower the Chui Mamas women's group through artisanal beadwork training, business mentorship, and financial literacy.
- **Education & School Support:** Funding secondary school scholarships, daily student feeding programs, and donating essential supplies to neighbouring primary schools and health clinics.
- **Conservation Field Trips:** Hosting educational field trips and wildlife safaris for local students to build awareness and foster the next generation of Laikipia conservation leaders.
