A note from Chef Kerry Kilpin

“

This is me:

I love to create food which is seasonal, flavourful and which bursts with freshness. My greatest inspirations are derived from significant occasions in my life. On my travels to Thailand I developed a love and passion for Asian food. From shopping at the local food markets to creating my first authentic Thai dish, I was in heaven. These Asian flavours are fused with my classical training built up from years spent working with Franck Dangereux. You will notice a common thread in what I do and who I am. Love.

This love has spread to Tryn; Steenberg's signature restaurant which offers a modern and refined dining experience.

Steenberg also offers a relaxed wine tasting experience as well as 5-star accommodation and spa treatments at Steenberg Hotel & Spa

Kerry”
