What our guests say...

One of the best experiences I've had! The owners and staff are incredibly friendly and determined to make your stay as comfortable as possible. The food and rooms are also great. Thank you for a lovely stay!

The best experience you can have in Selous, very exclusive (we didn't meet any other safari car while we were there). Tende, the owner and manager, who also did all the game drives with us, has an immense knowledge about wildlife and is very respectful with the animals.
