Veranda Luxury Staterooms 1 – 4

Our four 18-sq.mt. Veranda Staterooms are in the upper deck and have access through an outdoor gallery. Each stateroom is an invitation to relax and switch into vacation mode as soon as you walk in.

Their plush king size bed can also be configured to become two twin beds accommodating to our travelers' requirement. The biophilic design of each stateroom brings coastal materials into play: beautiful teak wood floors, wood wall appliques, natural fibers, warm indirect lights, and floor to ceiling glass doors to enjoy the beautiful coastal views from the comfort of your bed.

An accent chair and small desk are there for those who like to read or plan for the next outdoor adventure. Small details such as ocean-inspired bronze hooks complete our all-around maritime look. Veranda Staterooms offer enough closet and storage space to make yourself at home for the next days. In-room automated blinds, lights, air conditioning, and music are there for an effortless stay.

The bathroom is spacious, and it features a rain shower, imported porcelain, wood furniture, indirect warm lights, a hairdryer, and amenities from L'Occitane to pamper yourself during your stay.

Veranda Luxury Staterooms 1 – 4

M/Y Kontiki Wayra has features in every stateroom to showcase our sustainability efforts towards conscious tourism. Our staterooms count with:

PET silk rugs, which are not only visually attractive but made of approx. 300 Kgs of recycled plastic bottles. Soft sheets, made of 70% sustainably sourced cotton, with the Cotton USA® seal. The warm throw at the end of each bed is made of alpaca by artisan hands from the Ecuadorean highlands.

Each stateroom is equipped with a Nespresso machine, but our refillable stainless-steel capsules allow our travelers to try freshly ground Ecuadorean coffee every day from different regions of the country without harming the environment. In-room coffee cups are handmade in Guayaquil by artisan pottery makers exclusively for Kontiki Expeditions.

These Veranda Staterooms are interconnected for families with children, to allow for a safe stay when traveling with younger kids.
