

SAND RIVER
MASAI MARA
—
KENYA

Built in the elegant style
reminiscent of late 1920's safaris

Sand River Masai Mara

Location: situated on a secluded and picturesque site on the banks of Sand River, guests at this gold eco rated camp literally become part of the wildlife drama being played out, as sprawling lines of wildebeest cross the Sand River and weave their way right through the camp; **The Great Migration:** right on the migration route, guests are often fortunate to be able to watch wildebeest and zebra crossing the Sand River from the comfort of their tent verandah.

Location

- ◆ 1° 37' 14" S, 35° 09' 45" E

Getting There

- ◆ Keekorok airstrip is a 45 minute flight from Wilson Airport, and a 45 minute drive from Sand River Masai Mara.

- ◆ Various board games and playing cards available in camp
- ◆ Warrior training - Learning how to make a fire, throw the Masai rungu, and make and use a bow and arrow
- ◆ School visit - during normal term times
- ◆ Children's menu

Special Features In The Area

- ◆ The Masai Mara National Reserve is renowned for the spectacular wildebeest migration, and Sand River Masai Mara camp puts guests in the heart of the action. Marvel at the sheer numbers of animals during the migration time, and enjoy the opportunity to witness a frantic river crossing.
- ◆ Outside of the migration months, the Masai Mara National Reserve is still teeming with game, and game spotting is generally excellent year-round. Guests will see elephants, lions, cheetah, leopard, eland, hyena, giraffe and zebra to name a few.
- ◆ The Masai Mara is also home to the black rhino, providing guests the opportunity to see this native species in its natural habitat.
