

THE VINEYARD HOTEL

FACT SHEET

THE VINEYARD

Set beneath the eastern slopes of Table Mountain, The Vineyard is an independent family-owned hotel in the heart of leafy Newlands—just a short wander from Cavendish Square, and a quick 20-minute drive from Cape Town International Airport. The city centre and V&A Waterfront are 15 minutes away, and some of Cape Town's most loved beaches can be reached in just 30 minutes. With over two centuries of history, this is a place where heritage meets considered, contemporary design. The Vineyard moves gently with the times—guided by a quiet, everyday commitment to responsible tourism. It's not a checkbox, but a way of being, shaped by the small, conscious choices we make to support our community, care for the environment, and tread a little lighter.

ACCOMMODATION

Across 226 rooms, you'll find the same thoughtful simplicity that guides everything at The Vineyard. King or twin beds, a space to work, Chromecast TV, and the kind of details that just make sense: Nespresso machine, tea and coffee facilities, bottled water, bathrobes and slippers. All rooms include free high-speed internet and en-suite bathrooms with both a bath and a shower.

DINING

Begin your day at The Square with a generous breakfast, or ease into the morning on the Patio or in the Garden Lounge with mountain views and quiet green surrounds. Long Café is where we take our coffee seriously, perfect for a slow sip or a quick grab-and-go. Splash Café keeps things seasonal and relaxed by the pool. As evening falls, Morii brings Italian-inspired flavours, fresh ingredients and a relaxed approach to dining together in a warm, inviting setting. If staying in feels right, enjoy the comfort of in-room dining.

RESPONSIBLE TOURISM

Certified by Fair Trade Tourism, we focus on small, meaningful steps that make a difference - like solar energy, greywater harvesting, and food prepared in our Scratch Kitchen, which recycles 100% of its food waste. It's not about chasing perfection. It's about doing better, every day.
