

# The sky is the limit

Elevate your safari with a private helicopter and experience northern  
Tanzania like never before.

# Private Helicopter Excursions

Soar above northern Tanzania and experience views few ever see. Our private helicopter journeys offer unforgettable perspectives on wildlife, culture, and scenery.

## LAKE EYASI

US\$ 2,850

Admire the cascading escarpment and sparkling waters of Lake Eyasi. Fly low for optimal birdwatching, including pelicans and flamingos (best in Nov–Dec). End with a landing at the escarpment’s highest

## SOUTHERN SERENGETI

US \$ 5,130

Take in the Serengeti from above, spotting wildlife across the endless plains. Land atop a koppie for refreshments and panoramic views, and then continue to Lake Eyasi for a breathtaking picnic brunch or sundowner.

## NGORONGORO CRATER

US\$ 4,275

Follow the sweeping edge of the Ngorongoro Crater, soaring past ancient volcanic highlands. Land at Lake Eyasi’s escarpment for a picnic and panoramic views across the shimmering lake, then journey back through the landscapes of the Rift Valley.

## GREAT RIFT VALLEY

US\$ 9,975

Embark on a scenic flight over the Rift Valley with brunch and coffee stops. See flamingos at Lake Natron, the active volcano Ol Doiyo Lengai, and cascading waterfalls before returning via Lake Eyasi for photos.

---

## Details

The helicopter can accommodate a total of 5 passengers. All prices are quoted in US dollars, per helicopter, and include flying, refreshments, and all elements detailed in your excursion.

Please speak to your lodge or camp manager to arrange your private helicopter adventure.

All excursions are subject to availability and weather conditions. Flights are undertaken at the guest’s own risk, and all pilot safety instructions must be followed at all times. Itineraries may be adjusted or amended for safety, weather, or operational requirements.
