SERENGETI MIGRATION CAMP

TAASA MIGRATION CAMP ACCOMODATIONS

INTERCONNECTED TENTED SUITES

Designed with families, multi-generational groups, close friends or couples traveling together in mind, TAASA Migration Camp offers a unique accommodation option: two spacious, luxury tents connected by a covered walkway.

Wake up to the gentle sounds of the African bush, knowing your loved ones are just steps away. These interconnected tents offer the perfect blend of privacy and togetherness, with ample room to relax, unwind, and share in the magic of safari life. Each tent features elegant furnishings, en-suite bathrooms, and thoughtful touches that ensure a stay that's as comfortable as it is unforgettable.

Whether you're on a family adventure, a special celebration with friends, or simply want a shared space that still feels exclusive, TAASA's interconnected tents are the ideal solution. Experience the wild beauty of Tanzania together; connected, comfortable, and completely immersed in nature.
