# The Villas

Choose between four distinctly different villas on our active wine farm, each one a private and peaceful retreat. Each is individually designed, nestled in its own lush garden, and fully equipped for you to make entirely yours. Book one or all of them with family and friends for a blissfully relaxing stay in Franschhoek.

## GALERIE

A generous 2-bedroom villa with a private host, garden, and pool, Galerie is light, modern, and full of creativity. With 2 en-suite king bedrooms (1 of the 2 rooms can be converted into a twin), the villa is the perfect escape for 2 to 4 guests. No extra children's beds are available in either room.

## MANOIR

A historical, book-lined villa with 2 bedrooms (1 can be converted into a twin) and beautiful living spaces, including a dining room, kitchen lounge, and pool, with abundant space to relax. Best suited to a couple or a family (can sleep 2 children under 12 on a rollaway double bed).

## GRANGE

A 3-bedroomed airy homestead-style villa decorated in a classic South African style. There are plenty of indoor and outdoor living spaces, including a pool and terrace. Best suited for family get-togethers (1 can be converted into a twin), with 4 single beds in the loft (to sleep 4 children under 12).

## DOMAIN

A vibrant villa with sprawling outdoor terraces and a beautiful garden and pool. Domain has 3 large double bedrooms and a smaller 'petite' room that can be a double or a twin. Best suited to multigenerational families looking for privacy – and plenty of space to gather for meals and quality time.

# The Lodge

La Clé Lodge has five exquisitely comfortable en-suite bedrooms to choose from. The Lodge enjoys the unique position of being on a wine farm, yet is just a 5-minute walk from the Franschhoek main street with all of its wonderful restaurants and shops. This really is your home away from home in the heart of the village.

*Book a stay on a per-room basis or book the whole Lodge exclusively.*

## PETITE ROOMS

Cosy and welcoming, our two Petite Rooms are located under traditional thatch in the eaves of the house. They are charming and comfortable retreats to return to after a day exploring Franschhoek village on foot or sampling the gourmet food and wines of the valley. Both rooms are linked by a lounge area at the top of the stairs.

## COURTYARD ROOMS

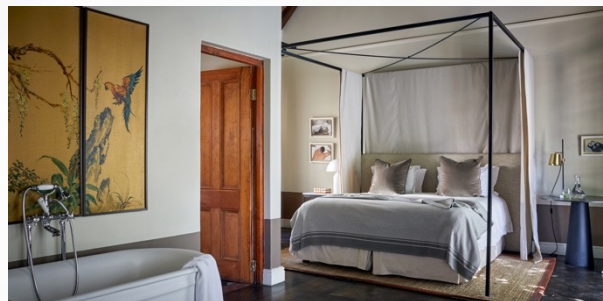

Secluded yet generously proportioned, the Courtyard Room has direct access to the beautiful gardens of La Clé from the private patio. It also has the most luxurious bathroom in the Lodge. Choose a bicycle and pedal around the village or relax with a good read around the pool.

## GARDEN ROOM

Designed for elegant living, with high ceilings and modern finishes, the two Garden Rooms are beautifully spacious. Each flows seamlessly outdoors to a wisteria-covered verandah with views over the pool and vines beyond. Stroll through the peaceful gardens and vineyards, relax around the swimming pools or simply cocoon in these calm havens.

Options: full bathroom (ensuite), or ensuite with a bath in the bedroom.

## LOCATION AND ACCESS

In the heart of the Franschhoek Winelands, the two farms of La Clé are only a 4-minute stroll from the Franschhoek village center and all of its shops, galleries, and restaurants.
