

LA CLÉ  
FRANSCHHOEK

# Celebrations at La Clé

Set across two working farms in the heart of Franschhoek, La Clé offers an idyllic setting where historic charm meets modern elegance. Whether exchanging vows or celebrating a milestone, our scenic vineyards and breathtaking mountain views provide the perfect backdrop for an unforgettable event.

## *Hosting an Event at La Clé*

La Clé presents two distinct venues that can either be booked independently or combined to cater to your celebration needs:

### **La Clé Village**

Accommodates intimate gatherings of up to 40 guests in the scenic back garden at Manoir. For these exclusive events, all four villas (11 bedrooms) must be reserved for a minimum of three consecutive nights, accommodating up to 22 guests per night. Limited additional roll-away beds and cots are available for children upon request at an additional cost.

### **La Clé Lodge**

Suitable for larger events, the Lodge can host up to 120 guests on its expansive grounds with a mountain backdrop. The entire five-bedroom villa needs to be booked exclusively for a minimum of three consecutive nights, accommodating up to 10 guests.

Please note that while our stunning accommodation and grounds are at your disposal, your event planner will manage all event-specific arrangements, with guidance from the La Clé team.

### **Event Information**

To ensure seamless setup and breakdown, bookings must include one night before and one night after the event.

- **Venue Fee:** from R40,000 (varies by season and permit costs; please enquire for exact rates)
- **Breakage Deposit:** R30,000 (payable 30 days prior; refundable or deductible from the final bill)
- **Catering:** All catering must be arranged through La Clé. Sample menus and rates (starting from R550 per person) are available upon request.
- **Additional Event Requirements:** Décor, lighting, tents, seating, and event planning services are at the client's own cost. For event planning company suggestions, please enquire.
