

# TWO EXTRAORDINARY STAYS.

# ONE EFFORTLESS JOURNEY.

From Table Mountain Mornings to  
Kruger Lowveld Stillness.

There are journeys that move you — not just across landscapes, but inward. We invite you to discover a seamless pairing: a city retreat rooted in quiet luxury and history; and a Kruger experience that brings South Africa's wild beauty to your doorstep.

## LABOTESSA | CAPE TOWN

**Begin at Labotessa, Cape Town's inner-city luxury sanctuary.** With its iconic 3-Bedroom Presidential Suite, this privately hosted penthouse offers space to exhale — where mornings stretch into slow breakfasts and the city hums just below, waiting to be explored or ignored.

## SHIVIKO | CAPE TOWN

**Then, immerse yourself in the rhythms of Shiviko Kruger.** This is more than safari — it's a journey into the untamed bushveld and the magic that lies beyond. From open-vehicle game drives and private guiding to awe-inspiring day excursions to God's Window, Bourke's Luck Potholes, Graskop Gorge's Viewing Elevator, and more — the Lowveld unfolds at your pace. Evenings settle into fireside storytelling, while mornings begin surrounded by the stillness of nature and the soft rustle of the wild waking up.

*Each property was designed with soul.  
Together, they create a journey with room to feel,  
breathe, and connect.*

### OUR GIFT TO YOU:

As a token of shared hospitality, enjoy an additional **fourth night at Labotessa** with our compliments when booking both properties — a gentle invitation to **linger a little longer**.

Let's tailor the details around your client's pace and preferences — and bring this journey quietly to life.

This combination is only available on request, valid until December 2026, and exclusively for bookings that include a **minimum 3-night stay** at one of the Shiviko Kruger Villas.

Perfect for multigenerational families, discerning groups, or honeymooners seeking a quieter kind of luxury — where hosting feels human, and every detail is planned with intention.

#### Important to note:

Labotessa's Presidential Suite is subject to a fully pre-paid, non-refundable policy between 20 December and 10 January. The offer is not valid during this peak period.
