Start of 4-night and 7-night itinerary

ARRIVAL

Upon arrival in Iquitos, you'll be warmly welcomed by your guide, who will transfer you to Nauta. It's here you'll catch your first look of the 8Beyond Amazon Explorer.

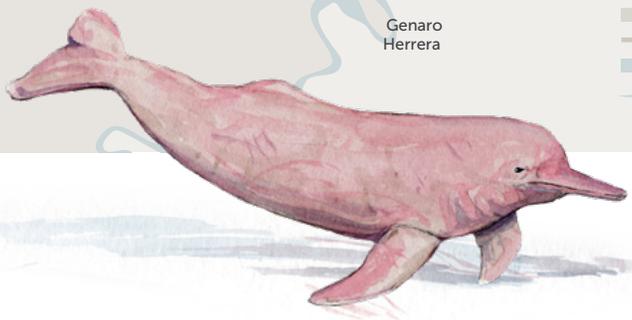

Enjoy your first guided skiff ride, immersing yourself in the sights and sounds of the Peruvian Amazon.

MORNING: Your day begins with an outing to the confluence of the Ucayali and Marañón Rivers, the origin of the mighty Amazon River. This iconic location is a hotspot for Amazon wildlife, such as pink and grey river dolphins and common squirrel monkeys. Afterward, enjoy an engaging visit to a nearby river community, gaining insight into daily river life, before heading to a butterfly farm.

AFTERNOON: Back on the yacht, spend your afternoon at leisure. As the sun sets, go on a guided nature walk to discover the hidden micro-world of the rainforest, from pink-toed tarantulas and poison dart frogs to the Amazonian giant scorpion.

NOTE: Itinerary is subject to change, due to weather and other conditions

*Dates will vary each year based on seasonal changes

Set Departure Journeys

DAY 03 THURSDAY

MORNING: Kick-start your day with a skiff exploration to Clavero Lake, a stunning blackwater oxbow lake teeming with life. Enjoy a picnic breakfast alongside kayaking and piranha fishing excursions.

AFTERNOON: Back on the yacht, spend your afternoon at leisure participating in the many onboard activities. As the day winds down, embark on a late-afternoon skiff ride along the Ucayali River. Scout for wildlife that thrives along its banks and take the opportunity to interact with local fishermen, gaining insight into their daily lives and traditional fishing practices.

DAY 04 FRIDAY

MORNING: Before breakfast, enjoy an early-morning skiff adventure and short, guided nature walk along the Yarapa River and its surrounding forest. Keep an eye out for woolly monkeys, sloths, pygmy marmosets, and a remarkable variety of birdlife, such as the white throated toucan, yellow crowned parrots and yellow billed tern. After breakfast on the yacht, visit a nearby community to spend some time with the local shamanic people. This intimate encounter offers a unique glimpse into their lives along the river and their deep knowledge of the Amazon's medicinal flora.

AFTERNOON: Set out on a guided nature walk through the forest, immersing yourself in the lush and biodiverse surroundings. As evening falls, prepare for an exhilarating night exploration in a Primary Forest—a pristine, ancient ecosystem that has remained untouched by significant human activity. Known for its dense vegetation and incredible biodiversity, this area provides a rare look into one of the Amazon's most vital and intact habitats.

DAY 05 SATURDAY

*End of 4-night itinerary
Start of 3-night itinerary*

7-NIGHT ITINERARY GUESTS

Take a short skiff ride to Nauta to visit the bustling Nauta Food Market. Offering an authentic taste of daily life and culinary traditions, here you'll find an array of exotic fruits, wild-caught fish, and traditional Amazonian dishes. Afterward, explore the Sapi Sapi artificial lake. Built by the local government for the community, this man-made lake is known for its abundance of turtles, paiche, caimans, and other Amazonian aquatic species. Return to the yacht for a leisurely afternoon.

4-NIGHT ITINERARY GUESTS

DEPARTURE

Enjoy a guided city tour of Iquitos, with a visit to the Museum of Indigenous Cultures and a stroll through downtown to admire iconic buildings from the Rubber Boom era and the vibrant Plaza de Armas. Conclude your morning with a delightful brunch at a local restaurant, before heading to the airport to catch your onward flight, marking the end of your unforgettable Amazon adventure.

3-NIGHT ITINERARY GUESTS

Set Departure Journeys

DAY
06
SUNDAY

MORNING: Set off on a guided nature walk through the pristine forest within the San Isidro area of the Pacaya-Samiria National Reserve. Trek to discover the majestic giant kapok tree, explore the fascinating world of medicinal plants, and observe playful squirrel monkeys in their natural habitat.

AFTERNOON: Return to the yacht for lunch, followed by a leisurely afternoon onboard. Conclude your day with an afternoon guided skiff exploration that includes fishing for piranhas. Savour the breathtaking Amazonian sunset with sundowners along the riverbanks before continuing your evening excursion. Under the cover of darkness, search for hawks, caimans, frogs, and other fascinating creatures. End your evening adventure by stargazing under the Amazon sky, offering a serene and unforgettable close to your day.

DAY
07
MONDAY

MORNING: Start your day with a guided skiff exploration featuring a picnic breakfast and the thrill of fishing for piranhas in the still black water. Later, visit a nearby community to learn about the water river turtle conservation project, a meaningful initiative to protect this vital species.

AFTERNOON: As the day winds down, enjoy sundowners on an exclusive sandbar along the Marañón River. Sip drinks and savour snacks while soaking in the serene Amazonian sunset.

What to expect in the low and high water season

Exploring the Peruvian Amazon during either the low or high water season offers fascinating experiences, each with its own unique highlights.

LOW WATER SEASON

HIGH WATER SEASON

Landscape	<p>As water levels recede, new hiking trails and jungle paths emerge, offering the perfect opportunity for guided explorations. Smaller tributaries become less accessible, shifting the focus to the main waterways.</p> <p>Ideal for terrestrial explorations and wildlife spotting along the forest floor, where you may encounter capuchin monkeys, peccaries, and colourful birds like toucans and parrots, as well as smaller inhabitants including the pink-toed tarantula, poison dart frog, and various butterflies.</p>	<p>With rising water levels flooding the forest, the Peruvian Amazon transforms into a vast maze of waterways, perfect for exploration by skiff boat or kayak.</p> <p>More access to remote, hidden areas of the rainforest, providing a unique perspective. As you navigate these waterways, you'll encounter river-dwelling creatures like pink and grey river dolphins, caimans, and capybaras, as well as an array of bird species such as herons, kingfishers, and the elusive hoatzin.</p>
