## THE RHYTHM OF YOUR DAY

### MORNING GAME DRIVE

As dawn breaks, the savannah slowly awakens. Guided by our rangers, you set out in an open 4x4 to witness the bush at its most alive. Antelope graze in the early light, giraffes move gracefully across the horizon, and the first calls of birdlife break the silence. Binoculars are available for an even closer look.

### BREAKFAST

After the adventure, return to the lodge where breakfast is served with sweeping views of the plains. Fresh fruit and pastries, the chef's daily special, barista coffees, and loose-leaf teas await you.

### LUNCH

Midday at Maloba is unhurried and refined. Lunch is served on the lodge's deck, where endless views stretch across the savannah. Expect seasonal, farm-to-table dishes paired with fine South African wines.

### AFTERNOON GAME DRIVE

As the afternoon begins to cool, your game drive sets out across the reserve. Along the way, you'll pause to watch giraffes moving through the thorn trees, herds of antelope grazing in the golden light, and flocks of birds returning to roost. Binoculars are available for an even closer look. As night falls, the drive continues back to the lodge under a starlit sky, a chance to glimpse the nocturnal life of the bush as it awakens after dark.

### DINNER

Evenings at Maloba are a celebration of fine dining. In the lodge's elegant setting, each course is crafted with seasonal, locally sourced ingredients and paired with South Africa's most distinguished vintages. Soft candlelight, refined flavours, and attentive service create an atmosphere of quiet sophistication, the perfect end to an extraordinary day in the wild.

## ONCE-IN-A-STAY HIGHLIGHTS

### SUNSET DRINKS

Once during your stay, your ranger prepares signature drinks at one of the reserve's most scenic viewpoints during your afternoon game drive. As the sun melts into the horizon and the bush quiets around you, this classic African tradition becomes a moment of pure serenity and celebration.

### DINING BENEATH THE STARS

On one special evening, dinner moves beyond the lodge into the heart of the bush. A fire-lit table, seasonal dishes, and rare South African vintages await beneath a cathedral of stars. Intimate, atmospheric, and unforgettable. Reserved for guests staying a minimum of three nights.
