THE MIGRATION

The 2 million strong megaherd of wildebeest, zebra and gazelles roam throughout the Serengeti- Maasai Mara ecosystem all year round. The herds are within close reach in May, June, late October and November and accessible many other months on full day drives.

FAMILY OPTIONS

Wakati Camp is a purposefully family-friendly camp.

We welcome children age 5yrs and up, and offer child rates for up to 18 yrs. The camp offers a kids menu, earlier dinner times, kids movie nights while parents are having dinner, and activities in camp to keep younger safari-goers entertained.

These include bug hunts, animal track plaster casts, quizzes and games, baking with the chef and Maasai bow and arrow lessons, plus more.
