## NARRATIVES OF TASTE

Dining at InterContinental® Table Bay is a sensory journey inspired by the Cape, where, culinary artistry meets cultural storytelling.

### Le Bistrot de JAN

From the mind of Michelin-starred chef Jan Hendrik van der Westhuizen, Le Bistrot de JAN reimagines classic French dining through a Cape lens; effortlessly grand and timelessly theatrical. Step into bespoke activations hosted in the restaurant's distinct cheese room. Here nostalgia meets innovation and every course celebrates life's beauty.

### Flint & Fennel

At the heart of InterContinental® Table Bay Cape Town, Flint & Fennel, our Signature restaurant, brings warmth and refinement to every table. This all-day dining restaurant is an ode to curiosity with pioneering breakfasts, inspiring high-teas and captivating dinners. Each dish is composed with intention, leaving guests with moments that linger.

### The Botanist's Table

In the hotel lobby, The Botanist's Table distils the essence of the Cape into every pour. Expert infusions and fynbos flavours are blended with a curated library of award-winning artisanal gins. The lounge invites discovery with carefully selected local wines, international spirits and chilled craft beers.

### Solandra

Our elevated, high-energy pool deck expertly blends taste and vitality. By day the pool deck is a sunlit sanctuary and by dusk it transforms into a celebration of Cape evenings. Classic cocktails, sundowner culture and an Italian flair in the form of sourdough pizza and gelato wait for guests with views of the Atlantic.
