Why stay?

1 A QUIETER KIND OF INTIMACY
With just three tents and space for only six guests, Nxabega Under Canvas offers solitude in its purest form. This is privacy not just of place, but of pace – where nothing is rushed, and every detail feels personal.

2 STILL WATER, SOFT WONDER
Seasonal mokoro adventures and morning birdwatching replace adrenaline with awe. The landscape reveals itself gently one water lily, dragonfly, or fish eagle call at a time.

3 LUXURY THAT WHISPERS
Each element is there because it should be – not to dazzle, but to feel right. Running water, fans, Wi-Fi, and limited laundry are delivered with quiet grace. Every comfort held lightly.

4 ROOTED IN RHYTHM
Life here follows the Delta's flow – reflective mornings, golden afternoons, firelight dinners. It's not just about what you see, but how you feel as you see it.

5 STORIES BY STARLIGHT
Meals are shared around the fire or beside the water, under a ceiling of stars. Freshly prepared and unhurried, they become part of the memory layered with laughter, connection, and the calls of the wild.

Camp amenities

1

A SOFTER KIND OF SAFARI

Open-sided tents welcome the breeze and the birdsong. A personalised butler and well-stocked bar ensure quiet luxury, delivered with ease.

2

CURATED SAFARI ESSENTIALS

Every tent receives a complimentary pair of SWAROVSKI OPTIK CL Companion 8x30, along with a Guides' Journal to track birds, wildlife, and reflections along the way.

3

OPEN TO THE STARS

Meals are cooked over glowing coals and served al fresco beneath the night sky. Shared around the fire, each dinner becomes a moment of connection seasoned with stories and lit by starlight.

4

STAY CONNECTED, IF YOU CHOOSE

All safari vehicles are fitted with 12V charging units and USB ports, keeping devices ready for capturing beauty – or leaving them behind.

5

A LIGHTER FOOTPRINT

Built for impermanence and designed to leave no trace, the camp runs entirely off-grid, powered by its own solar plant. With no permanent structures and a deliberately light-on-land approach, it's crafted to blend in, not stand out – reflecting deep respect for the land and those who will walk it next.

6

THE QUIET BETWEEN SOUNDS

Sleep to the rustle of reeds, the call of a distant owl, or the gentle lapping of water. At Nxabega, the quiet isn't empty – it's full of meaning.

Please note the campsites are not fenced off, and guests are required to be extremely vigilant. Guests are always accompanied when walking around the campsite at night.

Seasonal water experiences

Within the Delta, water levels change yearly. Enjoy these seasonal experiences at Nxabega Okavango Tented Camp, Nxabega Under Canvas and Xaranna Okavango Delta Camp.

1

MOKORO ADVENTURE

Pastel-coloured lilies float upon verdant lily pads, butterflies captivate with their iridescent wings and tiny painted frogs cling to the reeds as you take to the tranquil waterways in a traditional mokoro (dugout canoe). Keep a careful look out for the variety of fish darting through the crystal-clear water below you.

2

CATCH-AND-RELEASE FISHING

The best catch-and-release fishing excursions take place from ♾️Beyond Nxabega Okavango Tented Camp and Nxabega Under Canvas due to its proximity to the Panhandle region. Here, the Okavango River feeds into the labyrinth of channels and lagoons that makes up the heart of the Delta wetland. Try your hand at catching a variety of fish, including the predatory tiger fish.

3

MOTORISED BOAT CRUISE

Explore the Okavango Delta's intricate network of winding channels and opaque lagoons on board a sleek, motorised boat that covers great distances, showcasing magnificent views of the watery landscape. The unique perspective from the boat offers great sightings of hippo, wildlife attracted to the water's edge and beautiful birdlife.

Impact experiences

Everything we do at ♻️Beyond is centred around our core ethos of 'Care of the Land, Wildlife and People!'

1

COMMUNITY VISIT

Enquire about this community excursion to the Sexaxa Village, outside of Maun. On the day of your departure, visit Sexaxa School for a closer look at the community-led initiatives supported by Wild Impact*, in partnership with ♻️Beyond. It is with our guests' support that this inspiring project has flourished, and now young children no longer need to walk a total of 10 km (6 mi) to get to and from school each day. Please note that this excursion depends on your departure time.

2

BEHIND-THE-SCENES SUSTAINABILITY TOUR

Across the Delta, sustainability initiatives have been integrated into our daily operations. These include the installation of the first solar power plant at ♻️Beyond Sandibe in 2014, as well as a solar photovoltaic (PV) hybrid system at ♻️Beyond Xaranna – the first of its kind in Botswana – incorporating Tesla Powerpack Battery Energy Storage System technology. Complemented by energy audits, efficient heating systems, water bottling plants and wastewater management, these measures contribute to a reduced carbon footprint.

3

LOCAL CRAFTS

Browse through our Safari Shops at ♻️Beyond Sandibe Okavango Safari Lodge, Nxabega Okavango Tented Camp and Xaranna Okavango Delta Camp and expect to find a range of quality, handpicked handicrafts and fashion that showcases the very best of Botswana. Peruse their range of excellent eco-souvenirs; a portion of your purchase will support local community or conservation initiatives.
