PROPERTY DESCRIPTIONS

SARUNI EAGLE VIEW

Saruni Eagle View is located on a panoramic escarpment in Mara Naboisho Conservancy, Masai Mara, with sweeping views over the open savannah in what is one of the most beautiful and protected areas of the Mara ecosystem. Its natural salt lick and watering hole provide both a busy hunting site for predators and unique game viewing perspectives for our guests. In fact, Mara Naboisho Conservancy is one of Africa's prime game viewing destinations. It is home to all year abundant wildlife and amazing rich Maasai heritage.

With this contemporary-looking eco-camp made of 9 tents, we invite our guests to gaze towards the future of sustainable tourism. The innovative architecture and minimal design complement the purity of the untouched surroundings.

A Gold Eco-rated property certified by Eco Tourism Kenya, Saruni Eagle View is small, intimate and very special. Its tents are spaciouly laid out in modern safari style, offering guests a tranquil and relaxing retreat where they can listen to the natural sounds of nature. Just outside, guests have access to the incredible wildlife of Naibosho Conservancy, one of the best conservancies in the Mara eco-system, where life-enriching experiences and adventures await our guests.
