

We are a united and conservation-minded community working together to protect, preserve and benefit our planet, people and wildlife. We promote and support community upliftment, habitat and wildlife conservation, protection of biodiversity and protection of endangered species.

Your conservation and community donation fuels meaningful and collaborative projects, moving us steadily towards our vision.

THANK YOU FOR MAKING A DIFFERENCE!

CREATING JOBS . CELEBRATING CULTURE

Join a community-based tour where you will learn about Xhosa culture, experience township life and engage with local crafters.

- The tour runs from Main Lodge reception (only available for Main, Ukhozi and Homestead Guests).
- Depart reception at 11h00 and return by 14h00 for lunch.
- Book through reception at least 24 hours in advance. (Maximum 14 people per tour).
- R550 per person.

PROTECTION . PRESERVATION

We work wholeheartedly to protect and preserve the animal, bird and plant life of the area and restore the natural balance and beauty of Kariega Game Reserve. Our efforts include:

- Protection of over 1250 species of which 85 carry a protection status with 13 being endangered or critically endangered.
- Resourcing, training and management of our Anti-Poaching foot patrol and, K9 units (APU).
- Alien plant control.
- Annual APU and FGASA training for community candidates.

EDUCATING . NURTURING . CREATING

Education changes lives and is the vehicle to create opportunity and sustainable living. We are focused on:

- Early childhood development (ECD) and improving the level of education and care offered in our local preschools.
- Special needs education and support.
- Management of the Ekuphumleni and Marselle Library Computer Lab.
- Bursaries for post graduate tertiary education at Rhodes University.

YOUTH EMPOWERMENT . SOCIAL & EMOTIONAL LEARNING

We work to unleash the potential in our youth by keeping them active and positively engaged in life.

- We support, train and employ eight Youth Development Practitioners to run the sports, life skills, environmental education and IT programmes.
- We mentor, support and create opportunities for a local dance group, Iindoni Ezintle. Main Lodge guests will have the pleasure of being entertained by them on boma nights!

TOGETHER WE MAKE A DIFFERENCE

THANK YOU for being our community upliftment and conservation partner.
