

KINARA

Kinara, a Luxury Safari Camp,
Maasai Mara

WHERE THE MARA REVEALS ITSELF

Hidden along the banks of the Mara River, Kinara offers an intimate safari experience shaped by the rhythms of the Maasai Mara. With tented suites and a private villa, the camp is designed as a quiet retreat in one of Africa's most extraordinary landscapes. A place where wildlife, culture and wilderness meet.

The Mara is not simply seen.
It is felt and remembered.
Each stay becomes a journey of
discovery, connection, and deeper
understanding.

KINARA, 'BEARER OF LIGHT'

Here, light does more than illuminate the landscape.
It reveals a deeper understanding of place.
Movement across the plains. Life unfolding in quiet
patterns. Moments are not rushed, but discovered
slowly, with intention and clarity.
