FAQs

Can we have the wedding ceremony on the beach?

Our wooden deck is actually one of the most magical ceremony settings you'll find anywhere — elevated above the gardens with uninterrupted views across the Indian Ocean and the islands of the Bazaruto Archipelago. We recommend it over the beach, which is a public area open to passers-by and some distance from our kitchen and catering facilities. Trust us on this one.

Are there any florists in Vilankulo?

There is a florist in Vilankulo. The most popular options are flying flowers in with your own florist from South Africa, or working with our recommended florist in Maputo who has experience delivering to the area and knows exactly what travels well.

What about a DJ and sound equipment?

We can put you in touch with a selection of local DJs who can provide full sound and lighting for the evening. Just let us know and we'll make the introductions.

Photographer?

We have one local photographer who knows this property beautifully, and there is also a photography studio in town that can help. Both book up quickly, so we recommend reserving early. Of course, you're also very welcome to bring your own.

Is there a Preacher in Vilankulo who could host the ceremony for us?

For legal purposes, we recommend formalising your marriage in your country of residence before travelling. Here at Bahia Mar, we can arrange a wonderful celebrant who will meet with you beforehand to understand exactly what you'd like — personal words, blessings, readings, whatever feels right. He works on a donation basis and we suggest a minimum of \$120. Just let us know and we'll take care of the booking.

The facilities

Bahia Mar sits on an elevated plateau on the shores of Vilankulo, where the warm waters of the Indian Ocean meet the gateway to the Bazaruto Archipelago — the only Marine National Park on Mozambique's southern coast. It is a place of extraordinary natural beauty, and we have done our best not to get in its way.

Spread across lush tropical gardens, the hotel features an infinity pool and bar, a full à la carte restaurant, and a fully-equipped wellness centre offering spa treatments, steam room and gym. Everything you need is here — and nothing you don't.

Your exclusive booking includes all 22 rooms across four categories:

10 Garden Suites: Nestled among tropical gardens alive with birdsong, these ground-floor suites offer a peaceful, private retreat — ideal for guests who want to feel completely immersed in nature.

8 Sea View Suites: Each with a queen-size bed, en-suite shower and a generous veranda with sunbeds, these rooms frame the Indian Ocean and the island silhouettes beyond. Wake up to a view you won't forget.

3 Luxury Beach Suites: Spacious and self-contained, these suites feature a king-size bed, TV lounge, fully-equipped kitchenette, private barbecue terrace and your own splash pool. Perfect for the bridal party or guests who want to linger a little longer.

Presidential Suite: Reserved for the couple of honour.

A Few Things to Plan For

1

Food and Drinks

Your wedding menu and drinks package are quoted separately, allowing us to tailor everything to your guest numbers, tastes and budget. Nothing is off the shelf — we'll work with you to get it just right.

2

Decoration & Styling

Chairs and tables are included as standard, but the magic of how it all looks is entirely yours to shape. We work with exceptional local suppliers who know this venue inside out and consistently deliver beautiful results. Just say the word and we'll make the introductions.

3

Travel & Visas

Mozambique warmly welcomes visitors, and most nationalities can arrange a visa on arrival or online in advance. We recommend guests check requirements for their country of residence early in the planning process. Flights into Vilankulo are easy to arrange — the airport is just minutes from the hotel — and we're always happy to help with guidance.

Cuisine

Food is at the heart of every great celebration, and our kitchen team takes that seriously.

The Bahia Mar restaurant looks out over the tropical gardens and infinity pool, with the Indian Ocean shimmering in the distance. Depending on the mood and the moment, your guests can dine under the high thatched roof, on the open terrace, or beneath the shade of swaying palms in the garden. As the sun goes down over the Bazaruto Archipelago, there are few more beautiful places to raise a glass.

For your wedding celebration, we offer a tailored menu that begins with a welcome cocktail and a selection of snacks and starters, followed by a generous buffet featuring fresh salads and a choice of fish and meat main dishes, rounded off with dessert. Our chefs work with you in advance to shape a menu that reflects your tastes and the scale of your event.

Throughout your stay, the full à la carte menu is available for all meals — from relaxed breakfasts to candlelit dinners.

A note on drinks: beverages beyond the welcome cocktail are charged separately. We are happy to help you plan a drinks package to suit your group and your budget.

Let's Start Planning

Your wedding should be as unique as the place you've chosen to celebrate it. We'd love to hear your vision — the details, the dreams, the questions you haven't even thought of yet — and help you bring it all together. The first step is a relaxed conversation. Reach out to us and we'll schedule a call at a time that suits you.
