AFRICAN MONARCH
LODGES

Where transformation happens, naturally

Nambwa Tented Lodge is a luxury camp with ten soulful and spacious tented suites perched high in the treetops of the Bwabwata National Park in the heart of KAZA – the largest wildlife conservation area in the world. Beautifully secluded, you'll feel as though there's nothing but you, the view, and sometimes, the passage of migrating wildlife below.

A place that offers nourishing settings and activities, Nambwa Tented Lodge is an antidote to the everyday, and a chance to rest, re-energise and reconnect. At the heart of the lodge is a majestic deck with a large seated fire pit, where you'll enjoy open-sky dining and rewarding views of the floodplains below. This is where large herds of elephants, buffalos and plains game gather. In the evening they may seek refuge beneath your suite.

When dawn breaks, tea or coffee and homemade biscuits are delivered to your tent. From your private treehouse deck, you can watch the sky illuminate in preparation for the day's adventure. Our elegant safari lounge is the perfect place to relax and holds a library featuring vintage artefacts, books, and small relics found on site while building the lodge on this historical military area.

As Nambwa Tented Lodge is situated next to Namibia's Kwando River and its vast floodplains, animals often meander through the camp and a game drive is not even necessary. You can marvel at the animals while sipping on sundowners from the safety of the decks or lengthy walkways, just metres below you – a memory that's unique to this offbeat destination and one you'll treasure for life.

A sense of serenity high above

To honour the elephants' right of way, a timber walkway joins the 10 spacious tented suites among treetops. Tastefully decorated in natural colours the suites open up completely, evoking a feeling of vastness and serenity.

Directions

FROM WINDHOEK

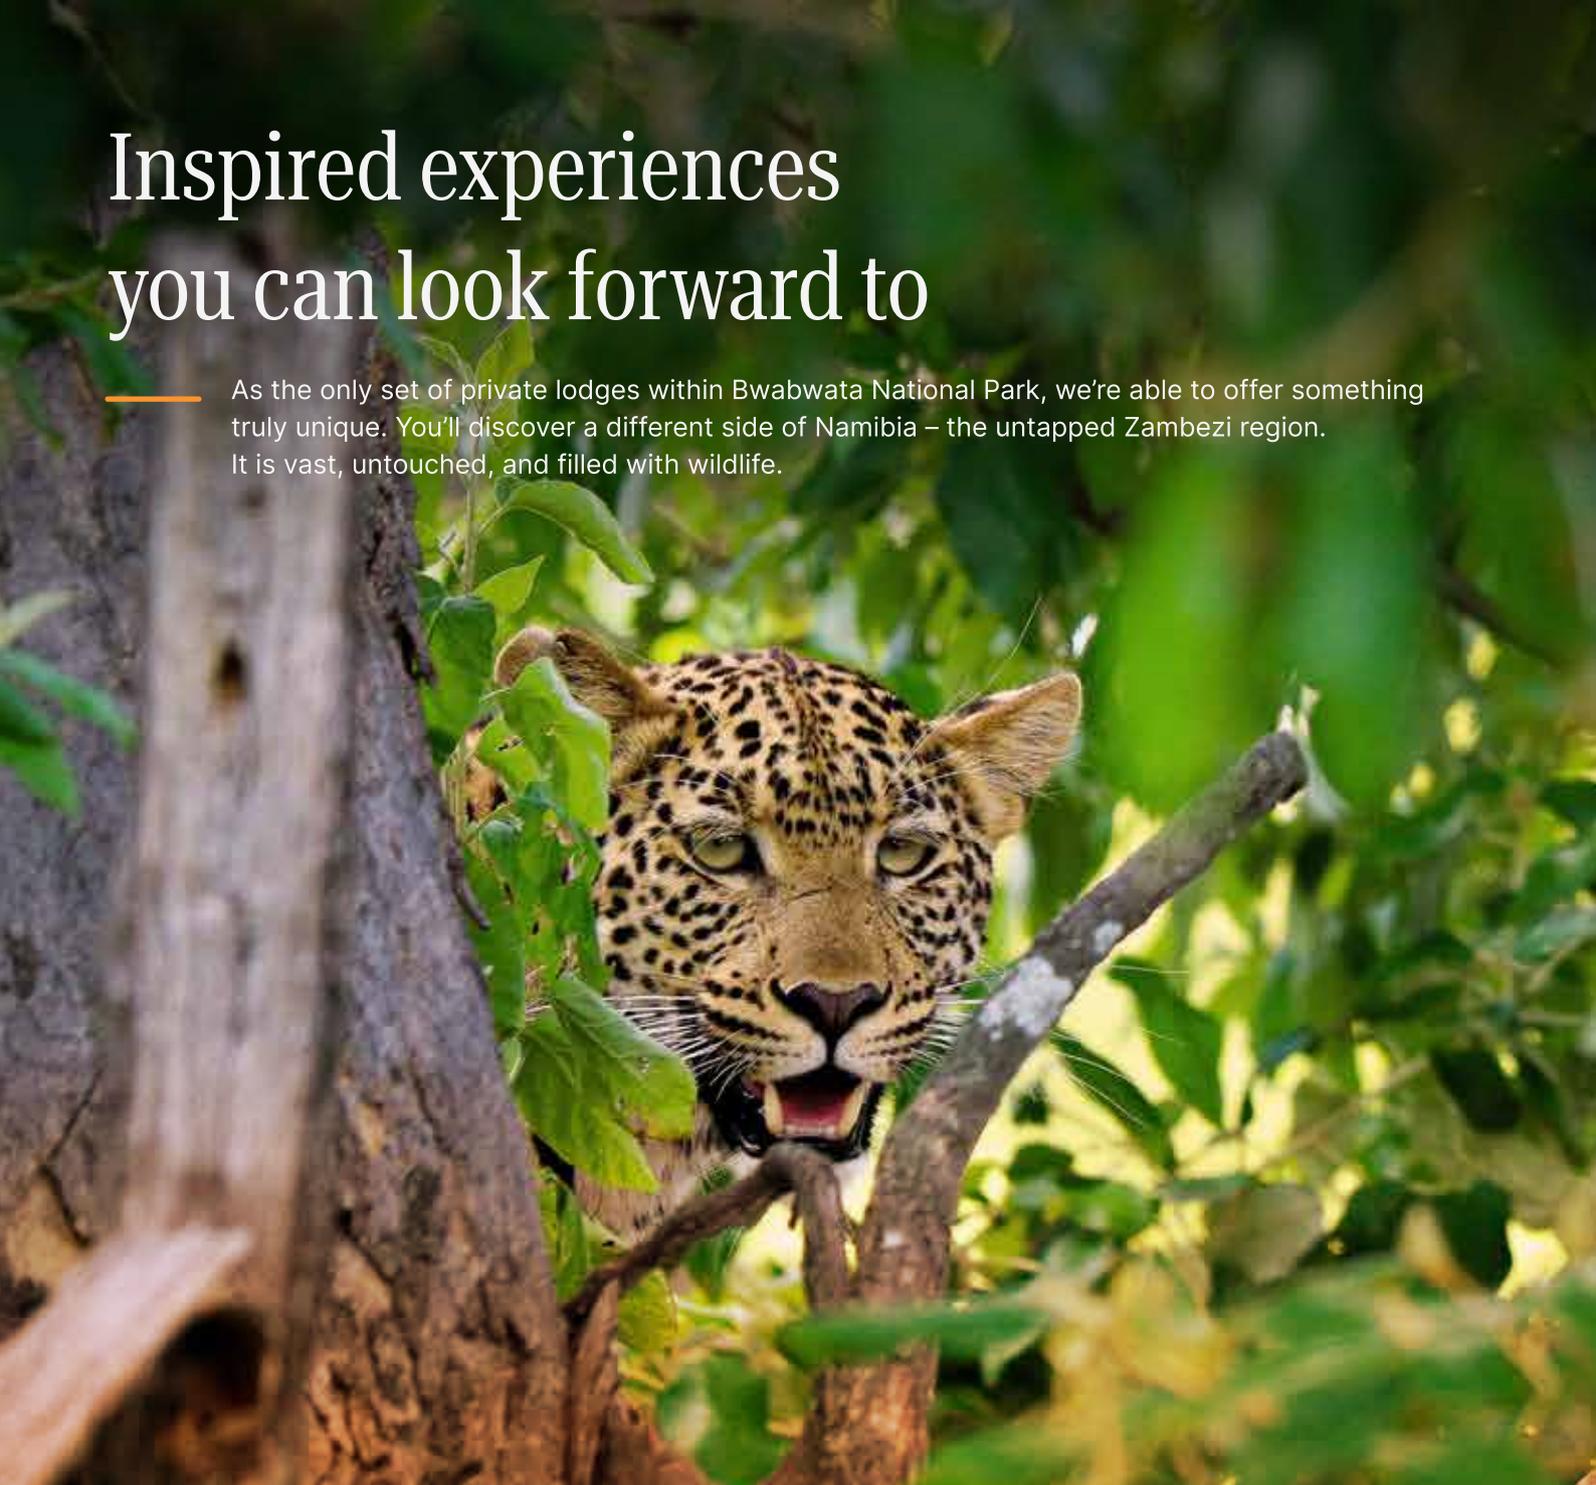

- Nambwa Tented Lodge is located approximately 1114 km and 11 hours' drive northeast of Windhoek.
- Take the B1 from Windhoek to Otavi. At Otavi, turn right on the B10 and go northeast until Rundu. At Rundu, go east on the B8 for 200 km where you will cross the Okavango River at Divundu. You will pass through a police checkpoint. From the Divundu checkpoint you will drive 194 km to the park reception sign board on your left. You will turn right at the dirt road leading to the park reception. The park turnoff is 7 km west of Kongola and 2.3 km before you reach the police checkpoint on the bridge. If you reach the checkpoint you have gone too far.
- 4×4 vehicles are required for the last 14 km to the lodge.
- Once you have passed through the park reception gate, follow the green concrete road signs as well as the Nambwa signs until you reach the lodge. It will take approximately 45 minutes. Remember you are now driving in one of the largest conservation areas in the world, enjoy the drive.
- For guests who do not have 4×4 vehicles: proceed along the B8, through the police checkpoint until you reach the small town of Kongola. Take a right turn onto the C49 at the Kongola Fuel Station.
- Please contact the lodge when you reach Kongola in order to dispatch a boat for your collection. Continue south along the C49 for 8.5km. You will reach The Sijwa Project turnoff on the right side. Continue down the gravel road for 400m, take the first turn to the left and continue along this gravel road for another 1.17 km until the road veers slightly to the left. Continue down this road for a further 987m until you reach The Sijwa Project.

You do not need a 4×4 to drive along the 2.5km gravel road to The Sijwa Project. Your vehicle can be parked safely at The Sijwa Project. If you contacted the lodge from Kongola, a boat will be there for your transfer to Nambwa Tented Lodge. A transfer fee will be applicable.

Inspired experiences you can look forward to

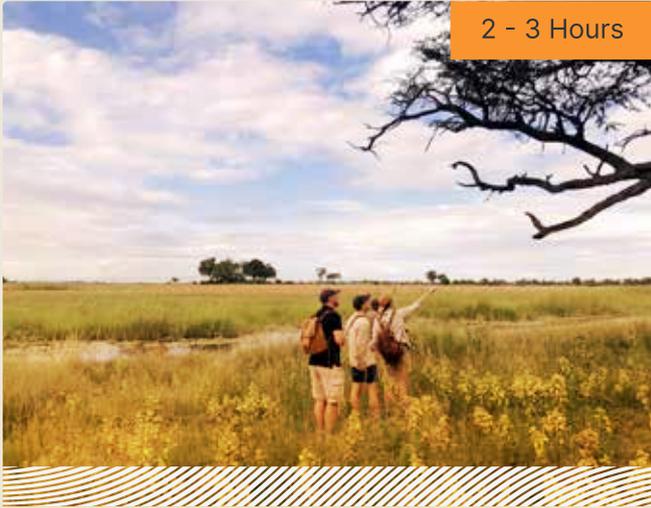

As the only set of private lodges within Bwabwata National Park, we're able to offer something truly unique. You'll discover a different side of Namibia – the untapped Zambezi region. It is vast, untouched, and filled with wildlife.

3 Hours

Game Drives

Look out for the Big Four: lions, elephants, buffalos and leopards, as well as wild dogs and more. It's also a birder's paradise with 450 bird species to identify.

Bush Walks

A rare opportunity as we're the only set of lodges permitted to offer guided walks within the park.

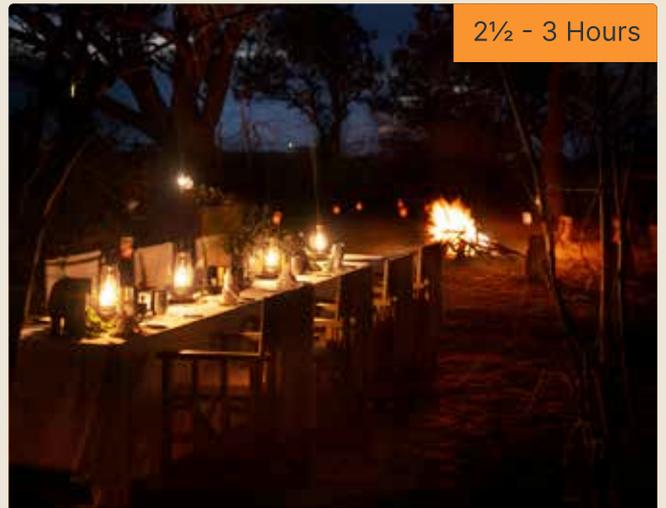

Boat Cruise

An informative, yet soulful experience on waterways similar to that of the Okavango Delta.

Sijwa Project Tour

Enrich your vacation and explore local culture with a visit to our award-winning community project.

Bush Dining

A quintessential African safari experience with delectable cuisine served in a remote, peaceful setting.

Romantic Picnic

Enjoy sparkling wine and an organic spread in a secluded picnic for two under a canopy of majestic trees.

Fishing

Head out at dawn to fish for tilapia, catfish, nembwe, and the elusive tiger fish. We support catch and release.

Sundowners

Gaze across the famous Horseshoe Lagoon and take in breathtaking sunsets with homemade, healthy snacks.

Kids on Safari

Offered at Nambwa Tented Lodge

3 Days

Kids on Safari

The Kids on Safari package is available for stays at our Nambwa Tented Lodge. It teaches children about the need to protect nature and how conservation tourism can be a force for good.

The lodge can tailor a range of activities for younger guests, but a few examples of what they may get up to during a 3-night stay include bushwalks, bush quizzes, a visit to the Sijwa Project – including bracelet making, camping on a private island, tales around the fire, a boat cruise, fishing, receiving their Junior Ranger kit, and getting their Junior Ranger Certification certification.

As adults you'll be able to enjoy the beautiful seclusion and the migrating wildlife below, while your kids will be whisked away on treasure hunts and bush walks where they will learn tracking and survival skills in the bush as they explore the riverways of the Kwando River.

The Sijwa Project

The Sijwa Sustainable Community Project was launched in 2018 with a vision of empowering the community. The project re-purposes and re-invents all recyclable waste from African Monarch Lodges and the local community, turning it into exquisite arts and crafts. It's also an organic permaculture nursery supplying food for lodge guests and locals alike.

Our integrated holistic approach to conservation incorporates traditional knowledge and cultural values while we measure our results by looking at tangible benefits like upskilling or sales. A visit to this cultural village will leave you feeling enriched by local culture as you take part in and enjoy the activities.

Hints and tips to make the most of your time in the bush

- Bring a good camera and binoculars. Take care not to disturb animals when using a flash.
- Bring sunglasses, a hat, sunblock, insect repellent and a sweater or fleece for evenings especially in the winter.
- During the winter, we provide blankets and hot water bottles if it's cold, and ponchos if it is raining.
- It's best to wear pale and neutral colours when going on wild experiences so as not to attract the animals' attention any more than necessary.
- Closed shoes are required for bush walks.
- We do provide basic fishing tackle, but you are welcome to bring along your own. Should you lose any of our tackle it will be charged additionally.
