KIDS ON SAFARI

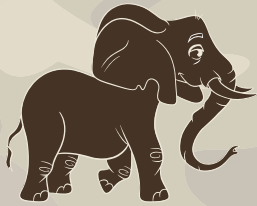

Bring the kids to Nambwa Tented Lodge for a family safari like no other!

africanmonarchjournays.com

Looking at the wonders of nature through the eyes of a child is the most remarkable way to go on safari as a family.

It is for this reason that African Monarch Journeys love hosting young ones at its Nambwa Tented Lodge where children with their moms and dads are accommodated at a Peter Pan Treetop Style Lodge.

LET YOUR WILD BE

DAY 1

Roots of understanding grow deep when curious minds are nourished in nature. *Nell Regan Kartychok*

Boat Cruise to Nambwa Tented Lodge

The Late afternoon's sun rays will reflect off the water's edge, the soothing sound of the water as it is gently broken by the bow of the boat cutting through the water's surface as you and your family are transferred to your home for the next 3 nights.

Arrival at Nambwa Tented Lodge

Once you settle into your suite, you will receive your guide pack which contains a Treasure Map of all the goodies you need to find for the next few days. You will then be wished away for the famous Treasure Hunt, in search of all the treasures for your pack. There is so much to discover around this massive Peter-Pan style treehouse.

After Dinner with your folks

You will once again be whisked away to a private bonfire on the ground where the wildlife seek sanctuary in the night. You will be entertained with tales from the African bush and some pertinent anecdotes for your ranger journey ahead.

LET YOUR WILDBE

DAY 2

Let nature be your teacher. *William Wordsworth*

Bushwalk inside the world's largest conservation area for wildlife

You get to explore on foot the wonders of Mother Nature. Your Junior Ranger Guide will teach you tracking skills and survival skills in the bush which is home to lion, buffalo, elephants, leopard and other wildlife roaming these plains freely.

You will get to tick off many species on your checklist. After breakfast you will be making your own bedroll for the evening using the indigenous Papyrus reeds which grow in abundance along the Kwando River.

Boat Cruise along the mighty Kwando River

Late afternoon you can all explore the riverways and you get to continue your African bush school as you meander along these exceptional rivers with your Junior Ranger Guide. Who knows how much can be learned during these magical hours as time tends to stand still when in awe of Africa?

Camping under the African Sky on a private island

A majestic quest awaits you on a private island where camp has been prepared for an adventurous night under the symphony of stars with Mom and Dad back at Nambwa. The reed mats you made earlier will be laid out with a mosquito net overhead. As your private Chef cooks your dinner straight on the fire, you get to be inspired by the tales of your guide as hyenas giggle, frogs croak, with crazy creatures and amazing animals all around you.

DAY 3

If children don't grow up knowing about nature and appreciating it, they will not understand it, and if they don't understand it, they won't protect it, and if they don't protect it, who will? *David Attenborough*

The Sijwa Project

Experience The Sijwa Project with your parents and see firsthand how African Monarch Journeys endeavour to be sustainable and give back to the community and conservation by protecting the natural resources and developing the local community through a biodiverse economy. You will try your hand at polishing recycled beads and then you will get to design your very own bracelet.

Gamedrive

As the afternoon shadows lengthen, your game drive departs to discover the unknown behind every bend within the Bwabwata National Park.

A Sundowner Picnic

While Mom and Dad get to enjoy a delightful sundowner on their picnic blanket, you will be entertained by animal antics while you too could be entertaining them with silly bush games. You'll also get to celebrate your exploration in the Bwabwata National Park as a Junior Ranger Certificate will be awarded.

So until then young adventurer, dream big and think of that special wish you need to come and make in Africa, because in Africa, dreams come true!
