

#### Road Directions:

Harnas Wildlife Foundation is located 307 km east of Windhoek. To get to Harnas Wildlife Foundation from Windhoek; drive east to Gobabis on the B6 for 204 km. Pass through Gobabis and exit on the B6 towards the Botswana border. Proceed for 5km on the B6 and turn left on the C22 to Drimiopsis. Continue for another 40 km to Drimiopsis and turn right on the gravel road, M131, for 51 km. Harnas Main Gate will be on your left. Proceed through the gates for another 12 km to reach the lodge. Gravel roads are well maintained and sedan vehicles will easily be able to reach the destination.
